The Call Of The Torah Vayikra

John Moscowitz

The Call Of The Torah Vayikra:

ויקרא :ויקרא ויקרא Elie Munk,1980 *Reflections on the Book of Leviticus* Martin Sicker,2013-10-28 The theme that unifies the diverse contents of this biblical work is that of holiness as the text asserts Ye shall be holy for I the Lord your God am holy Lev 19 2 The burden of the work is set forth guidelines as to how the children of Israel were to attain that goal One of the great practical issues dealt with in Leviticus is the problem of connecting with the one and only God through the practice of a form of worship that is superficially similar to but at the same time radically different from the modes of worship practiced by the other peoples of the ancient world which almost universally included sacrificial rites Because it was extremely difficult for one to relate to a deity that could not be depicted graphically sacrificial rites were also prescribed for the children of Israel as a concession to human weakness but were designed in a manner to leave little if any room for human inventiveness which if left unchecked would likely result in idolatrous practices Accordingly the ancient rites were infused with layers of detailed instructions and obscure symbolisms that make the text difficult to comprehend while raising important ethical considerations that are an essential aspect of the biblical concept of holiness This study explores some of the profound ideas that lie buried beneath the surface of this extremely complex biblical text **Garments of Light: 70 Illuminating Essays on the Weekly Torah Portion and Holidays** Efraim Palvanov,2017-11-13 Garments of Light is a collection of seventy revealing essays that take you on a deeper journey through the Torah and Jewish holidays How could Adam have lived 930 years Was Joseph really sold by his own brothers Why is Rosh Hashanah the New Year When is Mashiach coming How do we deal with apparent contradictions between Torah and science Find the surprising answers to these and other enigmatic questions in the pages of this book Unravel ancient mysteries and prophecies and explore the Jewish perspective on reincarnation and the afterlife astrology the Messianic Era and more *These Words* Alden Solovy,2023-03-06 In *These Words* liturgist Alden Solovy distills the Torah into its very essence the individual words it contains Echoing the midrash that the Torah has seventy faces Solovy selects seventy of its Hebrew words that are pregnant with meaning For each word he delves into the etymology translation and usage providing deeper insights into familiar texts Then Solovy presents a beautiful poem what he calls poetic midrash inspired by and interpreting each word From b reishit in beginning to shamayim heavens to zachor remember *These Words* will change the way you look at the language of the Torah Published by CCAR Press a division of the Central Conference of American Rabbis Learning Torah All over Again? Baruch J. Cohon,2020-08-12 These are things that have no measure says the Mishna What are they Simple actions like honoring parents doing acts of kindness visiting the sick bringing home the bride burying the dead making peace between neighbors etc And rated equal to the sum of these immeasurable actions is learning Torah Hopefully the Torah s ancient narratives laws and principles will help us master those immeasurable qualities those great Mitzvos in our lives today Welcome to Learning Torah all over again Studies in the Five Books of Moses Dr. Martin Sicker,2020-10-19 The five studies in this volume

focus on aspects of the narratives in the Five Books of Moses The Pentateuch that have frequently been glossed over by commentators ancient and modern and remain contentious to this very day These studies address issues such as the complex triangular relationships between Sarah Abraham and Hagar as depicted in the book of Genesis the bridegroom of blood episode in the story of Moses and his Midianite wife Zipporah as related in the book of Exodus the meaning and implications of the Golden Rule of biblical ethics as set forth in the book of Leviticus the zealotry of Phinehas as seen from different perspectives in the book of Numbers and the differences between the episodes of the Israelite spies as depicted in the books of Numbers and Deuteronomy Although these studies do not claim to resolve the issues they examine it is their purpose to stimulate further interest in the complexities of the ancient biblical narratives and the hidden insights about human nature they provide

Voices of Torah, Volume 2 Sonja Pilz, Amy Scheinerman, 2020-01-01 In this second volume of the classic CCAR publication you will find a compilation of multiple commentaries written by CCAR members on every parashah including holiday portions A great resource for daily Torah preparation for lay leaders and clergy alike this volume makes a great gift for students teachers and congregational leaders

Levinas and the Torah Richard I. Sugarman, 2019-09-01 A Levinasian commentary on the Torah The French philosopher Emmanuel Levinas 1906-95 was one of the most original Jewish thinkers of the twentieth century This book interprets the Hebrew Bible through the lens of Levinas's religious philosophy Richard I Sugarman examines the Pentateuch using a phenomenological approach drawing on both Levinas's philosophical and Jewish writings Sugarman puts Levinas in conversation with biblical commentators both classical and modern including Rashi Maimonides Sforza Hirsch and Soloveitchik He particularly highlights Levinas's work on the Talmud and the Holocaust Levinas's reading is situated against the background of a renewed understanding of such phenomena as covenant promise different modalities of time and justice The volume is organized to reflect the fifty-four portions of the Torah read during the Jewish liturgical year A preface provides an overview of Levinas's life approach and place in contemporary Jewish thought The reader emerges with a deeper understanding of both the Torah and the philosophy of a key Jewish thinker Sugarman rightly treats Levinas as a thoroughly Jewish religious thinker an approach to the great thinker that is much needed Taking such an approach he opens up new innovative horizons in Torah commentary and analysis Through a perceptive reading of Levinas through the biblical lens he offers an insightful illumination of both the Bible and Levinas Some may not be sure what to make of Sugarman's work here but then that is how it always is with innovative approaches David Patterson author of *The Holocaust and the Nonrepresentable Literary and Photographic Transcendence*

Call of the Torah Set Elie Munk, 1995-07-20

Fifty-four Pick Up Shmuel Herzfeld, 2012 There is no issue too controversial for Rabbi Shmuel Herzfeld as he seamlessly connects ideas and themes of the Torah to the major issues of our times What does the Torah say about homosexuality What is the agunah crisis and what can we do about it How do we effectively combat intermarriage Is our justice system truly just In this collection of thoughts about the fifty-four weekly Torah portions Rabbi Herzfeld shows us

how the Torah can guide us and inspire us in our daily lives Why is giving away your pillow the best way to get a good night s sleep Should the Internet be used for bar mitzvah lessons How can you be a good parent What would you do if you had only five minutes to live Rabbi Herzfeld is confident and proud of his Jewishness His enthusiasm and unabashed love for the Torah is contagious and his Jewish pride shouts out from every page Warning If you read this book you will be infected by Rabbi Herzfeld s love of Torah

Torah with a Twist of Humor Joe Bobker,2004 The author s travels across the United States Europe and the Middle East on horseback He relates his adventures and includes full color photography of the breathtaking landscape that he encounters off the beaten track

The Torah Dr. Tamara Cohn Eskenazi,Rabbi Andrea L. Weiss, PhD,2017-12-04 The groundbreaking volume The Torah A Women s Commentary originally published by URJ Press and Women of Reform Judaism has been awarded the top prize in the oldest Jewish literary award program the 2008 National Jewish Book Awards A work of great import the volume is the result of 14 years of planning research and fundraising THE HISTORY At the 39th Women of Reform Judaism Assembly in San Francisco Cantor Sarah Sager challenged Women of Reform Judaism delegates to imagine women feeling permitted for the first time feeling able feeling legitimate in their study of Torah WRJ accepted that challenge The Torah A Women s Commentary was introduced at the Union for Reform Judaism 69th Biennial Convention in San Diego in December 2007 WRJ has commissioned the work of the world s leading Jewish female Bible scholars rabbis historians philosophers and archaeologists Their collective efforts resulted in the first comprehensive commentary authored only by women on the Five Books of Moses including individual Torah portions as well as the Hebrew and English translation The Torah A Women s Commentary gives dimension to the women s voices in our tradition Under the skillful leadership of editors Dr Tamara Cohn Eskenazi and Rabbi Andrea Weiss PhD this commentary provides insight and inspiration for all who study Torah men and women Jew and non Jew As Dr Eskenazi has eloquently stated we want to bring the women of the Torah from the shadow into the limelight from their silences into speech from the margins to which they have often been relegated to the center of the page for their sake for our sake and for our children s sake Published by CCAR Press a division of the Central Conference of American Rabbis

Voices of Torah Hara E. Person,2019-09-03 A wonderful Torah study resource Discover multiple perspectives on every parashah in this rich collection of commentary written by CCAR members Includes holiday portions as well Makes a great gift for students teachers and congregational leaders Published by CCAR Press a division of the Central Conference of American Rabbis

The Moral Philosophy of Judaism Martin Sicker,2010-05-14 The concern of The Moral Philosophy of Judaism is with the first principles that underlie the approach of Judaic ethics to the manifold issues confronting mankind generally and adherents of Judaism in particular in the contemporary world The book explores the fundamental biblical concept of mans moral autonomy and its implications the meaning and significance of the fundamental biblical doctrine of man being created in the image of God the nature of an individuals moral judgment the complex issue of the relationship between natural morality and law and

between law and justice in Judaism the concept of imitatio Dei and its implications the meaning of good and evil from a Judaic perspective and biblical formulation of the Golden Rule and the reasons for its reformulation in later rabbinic literature as a general guide to the establishment of a socially harmonious moral and just society **A Curious Student's Guide to the Book of Leviticus** Reuven Travis,2023-02-03 Judaism has always found meaning in the sacrificial rites called avodah or service in Hebrew For more than twelve hundred years beginning with the Mishkan the Tabernacle in the Sinai wilderness and continuing through both the First and Second Temple periods animal sacrifice was the principal form of communal service of God for the Jewish people This all came to an abrupt end with the destruction of the Second Temple by the Romans in 68 CE and the Jewish people turned to prayer as their primary mode of worship From this perspective it might seem that the study of Leviticus which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children Nothing could be further from the truth Leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business From the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one's life as opposed to limiting this to rituals and religious celebrations Throughout the book Leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another It can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do

A Study of Jewish Worship: from Sacrificial Cult to Rabbinic Benedictions and Prayers Dr. Martin Sicker,2022-10-19 Judaism the origin of which dates from the rejection of polytheism by the patriarch Abraham nearly four thousand years ago is committed to the worship of the one and only God In the course of that long period of devotion the character of that worship has evolved from a primitive form to progressively more sophisticated approaches necessitated by historical circumstances The present study is concerned primarily with the original concept of worship of the divine in the form of a sacrificial cult conducted by a priestly hierarchy as described in the biblical Pentateuch and the later transition to a democratized form of verbal worship conducted by the laity in a synagogue or by the individual in one's home as described in the rabbinic literature One of the significant difficulties encountered in such a study is the translation of biblical and rabbinic Hebrew texts into English which employs terminology such as worship and prayer terms which have no reliable biblical or rabbinic Hebrew equivalent Accordingly the common equation of worship in the general sense of reverence paid to a god with prayer in the more precise Jewish sense of supplication or petition can be misleading Indeed prayer understood in the latter sense constitutes a rather small segment of the voluminous liturgy of Jewish worship much of which is drawn directly from Scripture whereas prayer as petition both formal and personal is primarily the product of individuals confronting a variety of challenges to their and their coreligionists social and physical wellbeing The principal focus of this study is on prayer understood in the latter sense which is traditionally interconnected with benedictions intended to give hope to those petitioning for divine beneficence *Evolution of an Unorthodox Rabbi* John Moscovitz,2015-10-31 Prominent Canadian

rabbi John Moscovitz charts the shifts in his views over the years controversial for some exciting for others on the issues that matter most to Jews today John Moscovitz spent his early twenties as an anti Vietnam War activist Eventually dubious about the radical left and alive with love for Israel he entered the rabbinical seminary in search of his own people This set him on a path to becoming as Senator Linda Frum put it one of Toronto s most cherished and effective rabbis In this book John Moscovitz charts the shifts in his thinking on the charged matters among the Jews today the viability of peace in the Middle East how we misjudge the nature of evil and once having been exposed to the savannahs of East Africa even the relationship between evolution and the Bible Part memoir part social history this book is a deep examination of a long personal journey one travelled in public as a prominent rabbi Along the way it captures what unites and divides an ancient people today

□□□□ □□□□ Yosaif Asher Weiss,2006 **A Year of Sacred Moments** Hanna Perlberger,2017-10-12 A Year of Sacred Moments is a spiritual guide a moral compass that can help you navigate lifes challenging terrain The sacred moments you will experience as you work your way through the book will positively impact your days your weeks and your life as a whole Tal Ben Shahar author of Being Happy and Happier Many of us are looking for a personal breakthrough a revelation that brings about meaning to our lives and invokes healing at a deep level Based on biblical wisdom and through her own story of personal struggle Hanna Perlberger reveals timeless truths in an uncomplicated manner Her simple yet profound teachings soften the hardened heart and when life hurts she inspires us to bring gratitude and acceptance into the present moment Although lifes journey can be challenging Perlbergers work serves to reveal the source of our self limiting beliefs to bring about much needed transformation and extend a hand of friendship when we need it most Hanna Perlberger guides the reader with an interactive exploration of Torah to create a more meaningful and personal connection with the sacred Rabbi David Aaron author of The Secret life of God Endless Light and The God Powered Life Mending the Heart, Tending the Soul Gail Albert,2012-11-05 Although few of us know it ancient tradition says that the Bibles first five books can be read as an extended parable describing the personal spiritual journey In Mending the Heart Tending the Soul Gail Albert traces a universal path of psychological and spiritual growth as she takes us on this journey Offering interpretations contemplative meditations and her own experience in this clear practical and heartfelt guide to each section of scripture she brings the wisdom of the spiritual path into our daily lives as she travels with us each step of the way from Genesis through Deuteronomy Praise for Mending the Heart Tending the Soul Dr Albert has done a marvelous job in demystifying profound subjects in a way that opens gateways to hidden mysteries for readers of all backgrounds Highly recommended for all spiritually oriented readers Rabbi David Cooper author of God Is a Verb Albert takes us slowly contemplatively through the layers of meaning these stories offer We are brought into the mystery of scripture ever deeper For those who enter the journey these sacred stories take on new and potentially life changing vitality Brian C Taylor author of Becoming Christ Transformation through Contemplation
