The Canopus Revelation Stargate Of The Gods And The Ark Of Osiris:

The Canopus Revelation Philip Coppens, 2004 Links the star Canopus in the constellation Orion with the god Osiris the Grail legend and alchemy Proposes that Canopus enabled men to communicate with gods and enter other dimensions and shows how this connection is part of both Egyptian mythology and modern physics and describes the structure of the universe

Secret Vault Filip Coppens, Andre Douzet, 2006 In this brilliant work of investigative research the authors uncover new secrets in the basilica of Notre Dame de Marcellie On the surface this church is like any other but it has a hidden dimension which has been successfully kept secret Underneath the church lies an underground complex hidden for over 500 years where there was a monetary treasure and a pagan religious site once under the control of the Templars Both the Compagnie de St Sacrement a 17th century secret society and Sauniere the priest at the centre of the enigma of Rennes le Chateau tried to get hold of this underground complex and its monetary and religious treasure and of the secret Here is the full shocking story

Saunier's Model and the Secret of Rennes-le-Chateau André Douzet, 2015-02-25 In 1916 Berenger Sauniere the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Sauniere leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Sauniere who had died just before the model's completion Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere's mystery a secret that is said to be of vital importance and terrifying force

Egypt -- 'Image of Heaven' Willem H. Zitzman, 2006 The ancient Egyptians were the first geographical planners to develop a system establishing an image of heaven on earth This book completes ten years of research into how the Pyramid Field depicts The Constellation of Horus the deity who bore the meaning of power and invincibility and who guarded the Pharaoh Rather than randomly pick certain pyramids Zitzman is the first scholar able to make sense of the entire era of pyramid building Is this depiction of Heaven on

Earth an inheritance of the mythical Followers of Horus who were said to rule Egyptian in Predynastic times Zitman reveals how time and space were perceived by the Egyptians as sacred ingredients and that they mixed into a divine master plan which for the first time is unveiled in its entirety The precision of the Egyptians was amazing by any standards and there is no doubt that the Pyramids were astronomically designed Patrick Moore **Reich of the Black Sun** Joseph P.
