The Brenda Maneuver:

The Brenda Maneuver Stephen N. Rosenberg, 1982 Stealth Maneuvers EJ Towler, 2016-05-13 Marine Alan Prescott has never encountered an obstacle he couldn't adapt, adjust and overcome or a woman he couldn't seduce. After nine months in Afghanistan, he's set his sights on the sexy brunette in the officer's club bar in Key West. Air Force Colonel Anne Moss has come a long way from a scared pregnant teenager. The only thing she loves more than her job as a nurse-midwife is her daughter Brianna's family. She has no time for a man, much less a young cocky Marine. But there's the bet with her best friend: one kiss and she'll win a 300 bottle of scotch. Besides, what could a little flirting hurt? One man, one woman, and a bet. What could possibly go wrong? The Boss's Mistletoe Maneuvers Linda Thomas-Sundstrom, 2014-11-01 Seduction in a Santa Claus suit. When millionaire Chaz Monroe goes undercover at the ad agency he bought, he has to figure out why his star employee Kim McKinley won't work on the very important Christmas campaign. He'll go to any length to get answers from the beautiful go-getter if he has to kiss them out of her, so be it. Kim can't believe Chaz's nerve. So why is she always falling into his arms and into his bed? Soon this exasperating man unlocks her secrets just in time for a Christmas she'll never forget and one he may never live down. Illegal Maneuvers David A. Freas, 2021-06-16 When auto restorer Dan Gallagher offers a tipsy Stephanie Mercer a ride home, he has no idea he'll be drawn into a mystery that will challenge his brain, his nerve, and his heart. Stephanie's husband is in a coma following a car crash which she insists was no accident. After Dan examines the wrecked Cadillac, he has to agree. Ten years have passed since Dan's wife died, and he never expected to fall for Stephanie. He's determined to help her find out what happened to her husband, but when Dan discovers evidence that points to Stephanie's guilt, he wonders if she knows more than she's admitting. The closer Dan comes to the truth, the more he risks, not only his life but that of the woman he's come to love. Maneuvers Cynthia Enloe, 2000-02-01 Maneuvers takes readers on a global tour of the sprawling process called militarization. With her incisive verve and moxie, eminent feminist Cynthia Enloe shows that the people who become militarized are not just the obvious ones: executives and factory floor workers who make fighter planes, land mines, and intercontinental missiles. They are also the employees of food companies, toy companies, clothing companies, film studios, stock brokerages, and advertising agencies. Militarization is never gender neutral, Enloe claims. It is a personal and political transformation that relies on ideas about femininity and masculinity. Films that equate action with war, condoms that are designed with a camouflage pattern, fashions that celebrate brass buttons and epaulettes, tomato soup that contains pasta shaped like Star Wars weapons: all of these contribute to militaristic values that mold our culture in both war and peace. Presenting new and groundbreaking material that builds on Enloe's acclaimed work in *Does Khaki Become You?* and *Bananas, Beaches, and Bases*, Maneuvers takes an international look at the politics of masculinity, nationalism, and globalization. Enloe ranges widely from Japan to Korea, Serbia to Kosovo, Rwanda to Britain, Israel to the United States, and many points in between. She covers a broad variety of subjects: gays in the military, the history of camp followers, the politics of

women who have sexually serviced male soldiers married life in the military military nurses and the recruitment of women into the military One chapter titled When Soldiers Rape explores the many facets of the issue in countries such as Chile the Philippines Okinawa Rwanda and the United States Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized women locally and internationally without unwittingly being militarized themselves She explores the complicated militarized experiences of women as prostitutes as rape victims as mothers as wives as nurses and as feminist activists and she uncovers the maneuvers that military officials and their civilian supporters have made in order to ensure that each of these groups of women feel special and separate

Orphans Nancy Jasin, Nancy Jasin Ensley, 2012-10 *Bedroom Blarney* Cynthia Breeding, 2023-03-08 Art instructor Eve O Conner's ex husband absconded with her entire savings making her wary of ever committing to a relationship again Still a woman has needs So she finds what she thinks is a safe way to fulfill them while watching her best friend from high school become badly entangled Athletic Director Brian Caldwell keeps his life compartmentalized and Eve fits perfectly into one of those compartments She comes with no strings attached unlike others in his world However the string he doesn't count on is his computer whiz teenage son who enrolls in Eve's art class and discovers what's been going on
