## **The Bridge:**

*The Bridge* Hart Crane, 1970      *The Bridge* Gay Talese, 2014-10-28 Celebrating the 50th anniversary of its completion a detailed history of the construction of the longest suspension bridge in the United States linking Brooklyn and Staten Island features photos and architectural drawings while detailing all the drama and political maneuvering      *The Bridge* Hart Crane, 2015-03-24 This edition of Hart Crane's long poem *The Bridge* first published as a book in 1930 collects for the first time ever the variant earlier versions of the poem's sections as they were first published in periodicals and anthologies during the years 1927-1930. The many differences between these earlier versions and the versions which appeared in the Horace Liveright edition of 1930 make this book an indispensable volume for anyone with a deep interest in Hart Crane or indeed in American poetry and a tremendous tool for the understanding of Crane and his poetry      *The Bridge* Yvon Ledoux, 2014 *The Bridge* was written with two purposes. Part I is his life story. Part II is life illustrations with parallels in the Bible with the intent to communicate that everyone's life can be visualized in every single book of the Bible. The Bible is the story of this world from the creation to the end. It is the story of what is to follow in eternity. It is the instrument of God's will for everyone's life. God's Word is the bridge from here to eternity. It is the bridge that will take us to Him at the end of our life here on this earth. It is everyone's story today. Yvon opens his heart and life up to us in this wonderful book so we can better understand how God's Word is a bridge we can all use to connect us to Him. He makes it very easy to see how the ancient scriptures of the Bible are alive and applicable in our lives today. Thank you Yvon for building a bridge in your daily life so we can all witness God's love through you. Jennifer R.
