The ^AComplete Lyrics of Alan Jay Lerner Dominic McHugh, Amy Asch, 2018-02-01 The lyricist behind such enduring classics as Brigadoon Camelot and My Fair Lady Alan Jay Lerner 1918-86 was a consummate craftsman refining his work over and over In this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work For the theater lover and scholar alike the book sheds new light on one of musical theater's defining figures

The Broken Promise of Agricultural Progress Cameron Muir, 2014-06-05 Food and the global agricultural system has become one of the defining public concerns of the twenty first century Ecological disorder and inequity is at the heart of our food system This thoughtful and confronting book tells the story of how the development of modern agriculture promised ecological and social stability but instead descended into dysfunction Contributing to knowledge in environmental cultural and agricultural histories it explores how people have tried to live in the aftermath of ecological imperialism The Broken Promise of Agricultural Progress An environmental history journeys to the dry inland plains of Australia where European ideas and agricultural technologies clashed with a volatile and taunting country that resisted attempts to subdue and transform it for the supply of global markets Its wide ranging narrative puts gritty local detail in its global context to tell the story of how cultural anxieties about civilisation population and race shaped agriculture in the twentieth century It ranges from isolated experiment farms to nutrition science at the League of Nations from local landholders to high profile moral crusaders including an Australian apricot grower who met Franklin D Roosevelt and almost fed the world This book will be useful to undergraduates and postgraduates on courses examining international comparisons of nineteenth and twentieth century agriculture and courses studying colonial development and settler societies It will also appeal to food concerned general readers

Trail of Broken Promises Caleb Pirtle III, 2012-07-10 It may have been the greatest injustice of all A nation was uprooted A nation was ripped apart from its ancestral lands with its peoples feet pointed west So many died along the way The Five Civilized Tribes the Choctaw Chickasaw Creek Cherokee and Seminole rose to power on the land of their fathers atop great smoky mountains deep within vast timbered forests lost among the mangroves palmettos and rivers of grass They were strong and proud hunters who had become farmers Many fine plantations were firmly planted on the land they called home and slaves picked their cotton in the fields They had achieved self government and prospered But civilization rolled selfishly into their nation Treaties were passed signed and ignored Promises were made and broken sometimes just forgotten The removal of the tribes from their homeland in the Southeast to Indian Territory takes on a new dimension as author Caleb Pirtle relates to

a culture that existed before the Europeans set foot on American soil The people suffered greatly from this exodus driven like cattle herds across frozen ground and icy rivers families separated children and the old ones dying as they struggled down a path that would forever be known as The Trail Where They Cried They were victimized by America s Indian Policy It was a grave mistake Trail of Broken Promises was written for the casual historian searching for an emotional overview of a dark era in America s past Developed for the traveler the book contains numerous photographs depicting the heritage and culture of the Five Civilized Tribes as well as historical traces homes council houses prisons and forts of their early days in Oklahoma

Cabarrus Jr, 2013-02 Henry W Cabarrus Jr s formative years occurred during the Civil Rights Movement in the United States A young black male seeking self identity through family and work Henry struggled to find himself amidst the surrounding social cacophony In 1954 the US Supreme Court ruled that segregation in US schools was unconstitutional The decision kicked off a massive resistance movement in Virginia where Henry s family lived In response to the resistance it was ruled that operation of public schools was a local option for the state s counties and cities and no provision was made for educating the county s black children With no education prospects or family support Henry found himself saved from a near suicide attempt He left Virginia in pursuit of a formal education and his place in the world College was a struggle but Henry prevailed graduating with a 4.0 GPA from Saint Paul s College Henry s memoir Many Broken Promises and Yet I Stand is part history part relationships and part social commentary Book You Could Have Written Essdale Wilson, 2013-03-21 A special effort has been made to remove the boring suffering associated with dictatorial forced obligatory swallow and follow method of Bible study It is a must read for the curious believers nonbelievers It is the paradigm of methodology for those determined to do their own research that we are all capable of

Migration and Performance in Contemporary Ireland Charlotte McIvor, 2016-10-10 This book investigates Ireland s translation of interculturalism as social policy into aesthetic practice and situates the wider implications of this new interculturalism for theatre and performance studies at large Offering the first full length post 1990s study of the effect of large scale immigration and interculturalism as social policy on Irish theatre and performance McIvor argues that inward migration changes most of what can be assumed about Irish theatre and performance and its relationship to national identity By using case studies that include theatre dance photography and activist actions this book works through major debates over aesthetic interculturalism in theatre and performance studies post 1970s and analyses Irish social interculturalism in a contemporary European social and cultural policy context Drawing together the work of professional and community practitioners who frequently identify as both artists and activists Migration and Performance in Contemporary Ireland proposes a new paradigm for the study of Irish theatre and performance while contributing to the wider investigation of migration and performance
