polemics about the realization of ultimate reality with contemporary debates regarding mystical experience arguing that realization of reality as understood by Tibetan thinkers both resembles the category of unmediated mystical experience and simultaneously challenges and suggests rethinking the very meaning of that category     **The Middle Way** ,2008     **In Exile from the Land of Snows** John Avedon,2015-01-06 Tibet the roof of the world had been aloof and at peace for most of its 2 100 years But in 1932 the Thirteenth Dalai Lama in his final testament warned It may happen that here in the center of Tibet religion and government will be attacked both from without and from within By the time his successor was enthroned in 1950 the Chinese occupation had begun In this gripping account John F Avedon draws on his work and travels with the Fourteenth Dalai Lama to bring us the riveting story of Tibet and its temporal and spiritual leader Included is an extensive interview with the Dalai Lama who speaks about the conditions in Tibet the mind of a Buddha and the events of his life Rigorously researched passionately written the original edition of In Exile from the Land of Snows was instrumental in launching the modern Tibet movement when it was published in 1984 Now some three decades later Avedon s testimony is more wrenching and relevant than ever     Biographical Dictionary of the People's Republic of China Yuwu Song,2014-01-10 This biographical dictionary is an indispensable research tool for information about the prominent persons of the past seven decades in China The book documents nearly 600 Chinese individuals who contributed for better or worse to the development of Chinese life and culture since the founding of the People s Republic of China in 1949 Though the book is weighted toward political figures it includes persons in business the military academia medicine social movements the arts entertainment and athletics In addition to an objective description of the person s life an analysis is provided that identifies the individual s contributions and importance     Religious Persecution United States.
