in Early Chinese Buddhism Chuan Cheng, 2014-03-17 Through detailed discussions of several Buddhist and Chinese moral concepts and beliefs and accompanied by some edifying short stories this book investigates three types of ethical treatment of animals in early Chinese Buddhism the imperial bans on animal sacrifice the early development of the two unique and living traditions of vegetarianism and the freeing of animals The book presents a demonstration of the early Chinese acceptance of Indian Buddhism providing the reader with a better understanding of the early history of Chinese Buddhism in general and of the integration of Chinese and Indian Buddhist cultures in particular The Ethics of Buddhism Shundo Tachibana, 2021-07-28 A popular if erroneous conception of Buddhism has been that of self negation or even nihilism that is to say a religion that is negative in its basic attitude In this classic work Professor Tachibana instead argues that Buddhism is an essentially positive creed that provides an ethical philosophy that remains relevant irrespective of time and place This is the Middle Way with eight qualities or virtues understanding thought speech action livelihood effort mindfulness and concentration that form the core of the Buddhist philosophy of life It is these great moral attributes that Professor Tachibana expounds as being the essence of Buddhism and providing a way of life based on tolerance and benevolence **Chinese Religion** Xinzhong Yao, 2010-05-25 A new introduction To The field of Chinese religion and culture ideally suited to undergraduate students **The academy**, 1869 Vladimir Solov'ev's Justification of the Moral Good Thomas

Nemeth, 2015-04-20 This new English translation of Solov v s principal ethical treatise written in his later years presents Solov v s mature views on a host of topics ranging from a critique of individualistic ethical systems to the death penalty the meaning of war animal rights and environmentalism Written for the educated public rather than for a narrow circle of specialists Solov v s work largely avoids technical vocabulary while illustrating his points with references to classical literature from the ancient Greeks to Goethe Although written from a deeply held Christian viewpoint Solov v emphasizes the

turn from his earlier position now allegedly developing the independence of moral philosophy from metaphysics and revealed religion Solov v sees the formal universality of the idea of the moral good in all human beings albeit that this idea is bereft of material content This first new English language translation in a century makes a unique contribution to the study of Solov v s thought It uses the text of the second edition published in 1899 as its main text but provides the variations and additions from the earlier versions of each chapter in running notes Other unique features of this translation are that the pagination of the widely available 1914 edition is provided in the text and the sources of Solov v s numerous Biblical quotations and references as well as literary and historical allusions

The Maha-Bodhi ,1916 *A Theory of Moral Objectivity* Robert M. Ellis,2011-03-13 This book was originally written as an accredited Ph D thesis but one that broke all the usual rules Rather than focusing on a small area like most theses this is a inter disciplinary philosophical treatise that attempts to establish a new approach to the whole question of objectivity especially in ethics Inspired by the Buddhist Middle Way but argued in Western terms from first premises this book challenges widespread assumptions found in both analytic and continental traditions of philosophy It seeks to establish a Middle Way between absolutism and relativism using evidence from philosophy psychology religion and history The author Robert M Ellis is a philosopher and teacher and was also a Buddhist practitioner for many years However he has now withdrawn from any commitment to the Buddhist tradition to concentrate on developing a universal Middle Way philosophy promoted on his website www.moralobjectivity.net
