Ballantyne, 2017-06-28 The Butterfly s Ball And The Grasshopper s Feast Come take up your hats and away let us haste To the Butterfly s ball and the Grasshopper s feast For the trumpeter Gadfly has summoned his crew And the revels are now only waiting for you On the smooth shaven grass by the side of the wood Beneath a broad oak that for ages has stood See the children of earth and the tenants of air For an evening s amusement together repair And there came the Beetle so blind and so black Who carried the Emmet his friend on his back And there came the Gnat and the Dragonfly too And all their relations green orange and blue And there came the Moth with her plumage of down And the Hornet with jacket of yellow and brown Who with him the Wasp his companion did bring They promised that evening to lay by their sting Then the sly little Dormouse peeped out of his hole And led to the feast his blind cousin the Mole And the Snail with her horns peeping out from her shell Came fatigued with the distance the length of an ell A Mushroom the table and on it was spread A Water dock leaf which their table cloth made The viands were various to each of their taste And the Bee brought the honey to sweeten the feast With steps more majestic the Snail did advance And he promised the gazers a minuet dance But they all laughed so loudly he pulled in his head And went in his own little chamber to bed Then as evening gave way to the shadows of night Their watchman the Glow worm came out with his light So home let us hasten while yet we can see For no watchman is waiting for you or for me Chapter Two The Butterfly s Ball and the Grasshopper s Feast Come take up your hats and away let us haste To the Butterfly s ball and the Grasshopper s feast For the trumpeter Gadfly has summoned his crew And the revels are now only waiting for you On the smooth shaven grass by the side of the wood Beneath a broad oak that for ages has stood See the children of earth and the tenants of air For an evening s amusement together repair It was very early one delightful

morning in summer when the trumpeter Gadfly sounded his horn inviting all the insects in the forest to the Butterfly's ball and the Grasshopper's feast The sun shone brightly the air was mild and soft and the scent of the wild flowers delicious so that not one of the insects thought of staying at home Butterflies Beetles Bees Wasps Snails Grasshoppers Ants all put on their best coats and frocks all put on their sweetest smiles and all hurried off in little bands to the ball talking and laughing and humming and buzzing by the way as if they were the happiest creatures in the wide world Even the old Beetle that had been run over by a cart wheel and squeezed nearly to death got out of bed when he heard what was going on and limped along with the rest though he had been confined to the house for six months before One or two Butterflies that were never known to go out except in the very finest weather and even then carefully wrapped up determined to go *The Butterfly's Ball and the Grasshopper's Feast* William Mulready, William Roscoe, 2024-02-24 Reprint of the original first published in 1808 *The Butterfly's Ball* Robert Michael Ballantyne, 1850 *The Butterfly's Ball and the Grasshopper's Feast, Or Harlequin and the Genius of Spring* William Roscoe, 1855
