Sixty Selected Poems:

Sixty Selected Poems Joseph Payne Brennan, 1985 Publisher's advertisement for Brennan's *Sixty selected poems* printed on both sides on the sheet

Selected Poems Alfred Lord Tennyson, 2004-01-29 Tennyson wrote T S Eliot has the finest ear of any English poet since Milton and his verse remains unrivalled in its combination of verbal richness emotional depth and intellectual engagement Tennyson drew on classical and medieval legends in poems like *The Lotos Eaters* 1832 and *The Lady of Shalott* 1832 to explore the spiritual tensions of the nineteenth century In one of the great works of his maturity *In Memoriam* 1850 written after the loss of his dearest friend Tennyson vividly negotiated contemporary scepticism and the modern sciences of geology and evolution Similar ground is covered in a dramatically darker mood in *Maud* 1855 a poignant account of psychological disintegration

Selected Poems Émile Nelligan, 2004 Though now considered the father of French Canadian literature Nelligan's poetry has never before been published in English The impact of this great writer's work and his distinction as being the first Canadian writer to be influenced by Baudelaire and Rimbaud make this collection a vital contribution to the international understanding of Quebecois literary history

Selected Poems Wallace Stevens, 2009 A beautiful new edition the first in nearly twenty years of the work of Wallace Stevens a founding father of contemporary American poetry with a dazzling range of work that is at once emotional and intellectual As John N Serio reminds us in his elegant introduction Stevens has written more persuasively than any other poet about the significance of poetry itself in everyday life The imagination frequently synonymous with the act of the mind or poetry for Stevens is what gives life its savor its sanction its sacred quality This rich and thorough selection published in the 130th anniversary year of Stevens's birth carries us from the explosion of *Harmonium* in 1923 to the maturity of *The Auroras of Autumn* in 1950 and the magisterial *Collected Poems* published by Knopf in 1954 To be drawn in once more by *The Emperor of Ice Cream* *Sunday Morning* *The Idea of Order at Key West* *Notes Toward a Supreme Fiction* to name only a few is to experience again the mystery of a poet who calls us to a higher music and to a deeper understanding of our vast and inarticulate interior world This essential volume for all readers of poetry reminds us of Stevens's nearly unparalleled contribution to the art form and his unending ability to puzzle fascinate and delight us

The Oxford Handbook of Global Modernisms Mark Wollaeger, Matt Eatough, 2013-10 The *Oxford Handbook of Global Modernisms* expands the scope of modernism beyond its traditional focus on English and Irish literature to explore the contributions of artists from countries and regions like the US Cuba Spain the Balkans China Japan India Vietnam and Nigeria

Selected Poems of Robert Penn Warren Robert Penn Warren, 2001-03-01 John Burt's *Selected Poems of Robert Penn Warren* is more broadly representative of Warren's poetry than any previous selected gathering More than two hundred poems from every phase grace the volume a vehicle ideal for sampling or soaking in the finest of Warren's rich output With each poem Burt has carefully located the version that constitutes Warren's final revision His introduction gives an eloquent overview of the poet's career touching on every

published book of verse and highlighting significant lines A selected collection in the truest sense featuring several previously unpublished pieces this treasure is at once new and familiar At the heart of Warren's poetry is a celebration of man's intellect and imagination his integral place within nature and his relationship to time and the past ultimately joy coexists with the knowledge of life's many mysteries including its tragedies Selected Poems a generous survey and a convenient compendium is the shining portal to this greatly gifted poet **Selected poems.
