The Resurrection of the Dead Hiram Mattison, 1868 *The Resurrection of the Dead, Its Design, Manner and Results: in an Exposition of the Fifteenth Chapter of First Corinthians* Rev. James Cochrane (of Cupor-Fife.), 1869 *The Resurrection of the Dead; Considered in the Light of History, Philosophy and Divine Revelation ... With an Introduction by ...*

M. Simpson, One of the Bishops of the M. E. Church Hiram MATTISON, 1866 **Resurrection of the Dead in Early Judaism, 200 BCE-CE 200** C. D. Elledge, 2017-05-05 Resurrection of the dead represents one of the more enigmatic beliefs of Western religions to many modern readers In this volume C D Elledge offers an interpretation of some of the earliest literature within Judaism that exhibits a confident hope in resurrection He not only aids the study of early Jewish literature itself but expands contemporary knowledge of some of the earliest expressions of a hope that would become increasingly meaningful in later Judaism Christianity and Islam Elledge focuses on resurrection in the latest writings of the Hebrew Bible the Apocrypha Pseudepigrapha Dead Sea Scrolls as well as the writings of other Hellenistic Jewish authors He also incorporates later rabbinic writings early Christian sources and inscriptions as they shed additional light upon select features of the evidence in question This allows for a deeper look into how particular literary works utilized the discourse of resurrection while also retaining larger comparative insights into what these materials may teach us about the gradual flourishing of resurrection within its early Jewish environment Individual chapters balance a more categorical comparative approach to the problems raised by resurrection definitions diverse conceptions historical origins strategies of legitimation with a more specific focus on particular pieces of the early Jewish evidence 1 Enoch Dead Sea Scrolls Josephus Resurrection of the Dead in Early Judaism 200 BCE CE 200 provides a treatment of resurrection that informs the study of early Jewish theologies as well as their later reinterpretations within Rabbinic Judaism and Christianity **The Kingdom of Heaven and the Kingdom of God** Earl B. Schrock, 2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they

are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64 8 the clay in making a useful vessel
