Effective Leadership in Nigeria Dr. Onyema G. Nkwocha, 2012-01-04 *Effective Leadership In Nigeria Practical Ways To Build an Effective Inspiring Transformational and Visionary Leadership and Governance in Nigeria* is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems principles processes procedures and practical applications inherent in effective inspiring visionary and enthusiastic leadership It attempts at instituting building and encouraging good effective and visionary leadership in the nation and that is currently virtually

lacking From the outset the author makes it clear that this writing is not designed to model or fit any known leadership paradigm theory or management style Rather based on relevant research on leadership as it impacts the Nigerian situation the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better The book is written and organized in a way that reflects and captures the contemporary experiences frustrations psychological emotions aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country their concerns questions dreams and the expectations that have virtually gone unmet in the past more than half a century Properly elucidating what leadership means and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership struggles A masterpiece Dr Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership its principles processes and pragmatic applications The book is a must read *The Future of Political Science* Harold D.

Lasswell, 2017-09-04 Harold D Lasswell is arguably the quintessential face of political science to the larger public of the past century However there is a side to Lasswell less well known but of special importance in this day and age the place of the profession of politics as an academic activity This book written at the start of the culture wars thirty years ago outlines the basic core position of political science practitioners It helps to explain why the field kept its collective cool when other social science professionals veered to more extreme activist positions *The Future of Political Science* grew out of the phenomenally rapid expansion of the study of government in the United States and elsewhere The study of professionalism among physical scientists lawyers engineers etc was not matched by such internal examination within the social sciences until much later Lasswell's overview centered on developments in the United States There unfettered study of government reached unprecedented heights in the final stage of the twentieth century The key concept of this volume one that continues to inform discourse is the relationship of political science as a mechanism for the study and teaching of the political system to the field as a tool of the Establishment This concern grew in the wake of a variety of scandals and secret support sponsored by both government and non government organizations alike *The Future of Political Science* covers areas ranging from membership size and disparities intervention scenarios in world events the nature of creativity in political research collaboration in projects with the other social sciences and the location of scientific centers of gravity in the study of politics Because of Lasswell's works we have a field of the political science of knowledge as well as the sociology of knowledge Harold D Lasswell served as Ford Foundation Professor of the Social Sciences at Yale University Distinguished Professor of Policy Sciences at Joh **Leadership in East Asia** Chris Rowley, Ingyu Oh, 2020-06-29 This book compares and contrasts leadership in Japan South Korea and China examining the impact of globalization on leadership styles and trends Presenting

some of the most recent findings in leadership studies in these three countries the collection explores the power relationship between political and business leaders employer employee relationships and pro social behaviour the measurement of effective leadership the relationship between leadership and corporate success the survival of private firms in a tightly controlled or socialist market and the evolution of leadership styles in the transition from state owned to semi private Although many studies have offered explanations of East Asian economic and corporate success this book presents empirical evidence to explain the leadership styles in Japan South Korea and China and provides a fresh outlook for those studying business and leadership in the region This book was originally published as a special issue of the Asia Pacific Business Review

Primate Politics Glendon A. Schubert, Roger D. Masters, 1991 The first book to focus on the political behavior of primates also undertakes to compare human social behavior with that of nonhuman primates The editors contribute probing introductory essays to each of the three major parts of the volume in addition to their article length introductory and concluding chapters In his conclusion Masters indicates directions for future work Part I is devoted to theoretical clarification of the interrelationships between the study of primates and humans Part II presents two examples of comparisons between animal and human social behavior that throw valuable light on contemporary political and social systems Part III focuses more precisely on contemporary human politics providing two concrete examples of ethological perspectives on human political behavior In both cases nonverbal cues studied by primatologists are shown to illuminate the dynamics of human politics Contributors include Nicholas G Blurton Jones Frans B M de Waal Basil G Englis Jane Goodall Bruno Latour Roger D Masters Gregory J McHugo Elise F Plate Thelma E Rowell Glendon Schubert James N Schubert Shirley S Strum and Denis G Sullivan
