Position Descriptions by Design Gary H Woolverton, 2012-08-06

Churches have become such an entity that they are being structured and led much as normal businesses are run. Because of this, churches must provide adequate and effective services to their employees. Proper descriptions of the jobs and related positions of the employees in the church are critical to having an effective staff that can best serve the community. Descriptions of what is expected of volunteers are also crucial to having sufficient servants to do the work God desires of them. This book is a collection of position descriptions as well as the whys and hows of developing, implementing and maintaining effective descriptions for both career employees and volunteers. In addition to the more than 170 descriptions included in the book, more than 950 descriptions are available for download. Already Missional Bradley T.

Morrison, 2016-01-13 Your congregation is teeming with people already doing community ministry. They just don't know it yet. This book knocks down the church walls that keep parishioner ministry hidden from congregational view. Do parishioners know that their already mission counts as ministry in your congregation? Parishioners are already on mission: raising their children, caring for elderly parents, volunteering in the community, supporting neighbors in crisis, serving on charity boards, donating to food banks and fundraising for important causes. This book counts this already mission as Christian service. When parishioners sacrifice their time, talents and treasures to be the good news for others, they are on mission for God. Even if they don't know it. Already missional congregations help people connect their personal mission with their faith. Already missional congregations see parishioners as community partners in ministry. This book provides the steps needed to connect your congregation's mission strategy with the rich and varied already mission lived daily by parishioners. Already Missional is your congregation's guide to being a community partner. The Teaching Ministry of Congregations Richard Robert

Osmer, 2005-01-01 In this important and groundbreaking book, Osmer develops a practical theology of the teaching ministry. He begins with the Apostle Paul, identifying in Paul's letters to his congregations the core tasks of the teaching ministry.

Light on the Path Daniel L. Prechtel, 2016-10-01 God's ready to lead. Are you ready to follow? **Growing Souls** Mark Yaconelli, 2009-07-13 The Youth Ministry and Spirituality Project was formed in 1997 to participate in the renewal of youth ministry in the Christian church. Its mission is to foster Christian communities that are attentive to God's presence, discerning of the Spirit, and who accompany young people into the way of Jesus. Our mission is founded on the biblical vision of the human person who is created in the image and likeness of God and whose deepest longing is for communion with God and others in love. In response to Christ's invitation to abide in him (John 15:4), we believe that the central purpose of youth ministry is to open the minds and hearts of young persons to an intimate relationship with God in Christ through the indwelling power of the Holy Spirit. We seek to fulfill our mission through retreats, workshops, training events, written materials and relationships that promote a contemplative approach to youth discipleship. The contemplative approach to youth ministry is based on a Christian community's commitment to cultivate attentiveness to God's Presence in the lives of young people and is supported in the following seven ways.
