Italian Cooking for the American housewife Paul Wichert, 2014-09-12 This cookbook is a set of lessons from our Italian host school that the chef put together especially for the newcomers from America Recipes from the Mediterranean region were presented as lessons in Italian and an Italian English translator previewed the recipes with us so we always knew what the dish is called the ingredients and how to make it Fortunately a menu plan was given to us each day so we could read the recipes in Italian and make notes on the paper At the end of our stay in Otranto we were assigned a large menu meant to feed a party of twenty With everyone gathered round the invited guests school staff and administrators we served a six course meal one course at a time Afterwards the formalities included photo opportunities as each student was presented with a certificate of completion and the course packet of about fifty recipes including a letter from the school principal His letter is the missing perspective on why a group of American culinary students are in this city and at his school Total immersion into the local community meant accepting the Italian language in all its forms spoken written and historical While translating for this book I developed a written accent and it remains as a colorful imprint Because I wanted to bring Italy home with me and this is a way to share the charm Reading certain passages aloud will highlight the rhythm and character

The Wall Alistair Moffat, 2012-07-30 A compelling thought provoking and entertaining history of Hadrian's Wall one of Britain's most intriguing landmarks Herald Hadrian's Wall is the largest and one of the most enigmatic historical monuments in Britain Nothing else approaches its vast scale a land wall running seventy three miles from east to west and a sea wall stretching at least twenty six miles down the Cumbrian coast Many of its forts are as large as Britain's most formidable medieval castles and the wide ditch dug to the south of the Wall the vallum is larger than any surviving prehistoric earthwork Built in a ten year period by more than thirty thousand soldiers and laborers at the behest of an extraordinary emperor the Wall consisted of more than twenty four million stones giving it a mass greater than all the Egyptian pyramids put together At least a million

people visit Hadrian's Wall each year and it has been designated a World Heritage Site. In this book based on literary and historical sources as well as the latest archaeological research, Alistair Moffat considers who built the Wall, how it was built, why it was built, and how it affected the native peoples who lived in its mighty shadow. The result is a unique and fascinating insight into one of the wonders of the ancient world. Wonderfully entertaining. **The Independent**

The Essential James Beard Cookbook James Beard, 2012-10-30 The best recipes from one of America's most influential food personalities in a big delicious cookbook that delights in every category. Known as the Dean of American Cooking, James Beard set a standard of culinary excellence that's still a benchmark today. He was an early television presence who helped shape what America ate in restaurants and cooked at home and was both an innovative recipe writer and a scholar of American foodways preserving classic dishes from the past for his readers to cook in the present. Compiled from twelve of his classic books and freshened for a modern audience, **The Essential James Beard** will stand with definitive and lively cookbooks such as *The New York Times Cookbook* and *The Joy of Cooking*. It covers the best and most necessary recipes in every category: appetizers and hors d'oeuvres, soups, pastas and noodles, fish and shellfish, meat and game, rice, potatoes and stuffings, breads, desserts, and more.

Regional Cuisines of Medieval Europe Melitta Weiss Adamson, 2013-10-14 Expert food historians provide detailed histories of the creation and development of particular delicacies in six regions of medieval Europe: Britain, France, Italy, Sicily, Spain, and the Low Countries.

Birds of the Middle East Richard Porter, Simon Aspinall, 2019-07-31 A comprehensive second edition to the *Birds of the Middle East*. This is a completely revised second edition of the bestselling field guide to the birds of the Middle East, covering Turkey, Cyprus, Syria, Lebanon, Israel, Jordan, Iraq, Iran, the Arabian peninsula, and Socotra. For the first time, the text and maps appear opposite the plates, and as a consequence, there are fewer species per plate than before. The text and maps have been fully revised, and many new artworks have been painted by the three illustrators. There are more than 100 new species in this new edition, which features more than 820 species in total. This is an essential field guide for anyone visiting the Middle East.
