Step Parents Parachute:

The Step-parents' Parachute Flora McEvedy, 2009 The Step-Parents' Parachute Flora McEvedy, 2009-07-02 In a society where 1 in 4 marriages now end in divorce the traditional model of the nuclear family unit has radically changed A startling 1 in 10 families in the UK the statistics are double this in the US grow up as part of a step family Yet this phenomenon is still hopelessly uncharted territory where the image of the wicked step mother still presides Flora McEvedy could find nothing to help her when she became a step mother at the age of 28 and the unique passion and energy of this book stems from her experiences The Step parents Parachute will endow the reader with a body of instantly accumulated knowledge Neatly organised easy to use practical and positive this inspirational book will offer a path through a subject riven with negative assumptions and enable the transformation of the step family into a happy rewarding and stable family home

Detoxing Childhood Sue Palmer, 2008-09-18 Sue Palmer's ground breaking book TOXIC CHILDHOOD generated national debate Now in this important follow up book she provides an essential guide on how to bring up children in a way that avoids the problems of a toxic world Includes practical easy to follow advice on Food Play Sleep Language Childcare and education Family life Using TV computers and mobile phones to your advantage With so many pressures across so many parts of our lives today this book is the one stop solution to all our concerns about raising healthy happy children in the modern world **Make Love Work For You** Anne Nicholls, 2015-07-16 In this practical guide relationships counsellor Anne Nicholls explains that finding and keeping a positive and happy relationship is not an impossible dream Here she seeks to arm the reader with a toolkit of tried and tested strategies to help you break the negative patterns of the past allow you to spot early on who is right for you and keep your new relationship strong and nurturing Topics covered include erasing your old relationship rules and finding new positive ones learning how to recover from past hurt learning strategies for checking that a new partner is right for you determining whether it is love or infatuation learning how to make the transition from singles to couple maintaining comfort and security in a relationship using strategies for dealing with conflict and disagreements and avoiding booby traps Toxic Childhood Sue Palmer, 2015-02-12 One in six children in the developed world is diagnosed as having developmental or behavioural problems this book explains why and shows what can be done about it Children throughout the developed world are suffering instances of obesity dyslexia ADHD bad behaviour and so on are all on the rise And it's not simply that our willingness to diagnose has increased there are very real and growing problems Sue Palmer a former head teacher and literacy expert has researched a whole range of problem areas from poor diet lack of exercise and sleep deprivation to a range of modern difficulties that are having a major effect television computer games mobile phones This combination of factors added to the increasingly busy and stressed life of parents means that we are developing a toxic new generation TOXIC CHILDHOOD illustrates the latest research from around the world and provides answers for worried parents as to how they can protect their families from the problems of the modern world and
