Step by Step Art School: Ceramics Christy Geraldine, Octopus Publishing Group, Pearch Sara, 1992 Step by Step Art School Geraldine Christy, Sara Pearch, 1991-08-01 Illuminates the popular craft of ceramics for the beginner or expert with detailed instructions on materials tools and techniques for making pieces both by hand and on a wheel **Ceramics : Step by Step Art School** Geraldine Christy, 1991 **Slant Steps** Jacob Stewart-Halevy, 2020-09-15 Slant Steps explores the vital role of the semi periphery artistic communities working between the provinces and the metropole Premised on the collective fascination with the found object Slant Step the book details a history of encounters among artists filmmakers critics and others operating in and out of the Bay Area during the long 1960s They revised the terms of the counterculture the appeal of consumer goods and the surfaces and materials of industrial design and contemporary sculpture Whether extending to international exchanges or shrinking to local coterie these circles helped develop process funk and conceptual art as they forged new directions for the art world and its members Yet when these groups degraded their own works alongside those of their rivals they made their political and aesthetic commitments difficult to decipher reorganizing the ties between the visual arts and the New Left Merging sociologies of art with the tradition of social art history Jacob Stewart Halevy uncovers the oblique perspectives and values of the semi periphery revealing its enduring impact upon contemporary art above all in the field of pedagogy *School Arts* , 1920 **American College and Private School Directory** , 1910 Studies in Southeast Asian Art Nora A. Taylor, 2018-08-06 This wide ranging collection of essays examines the arts of Southeast Asia in context Contributors study the creation use and local significance of works of art illuminating the many complex links between an object s aesthetic qualities and its origins in a community Chinese Modern Design Thinking Cao Xiao'ou, 2024-10-29 This book studies the development of modern and contemporary design art in China since 1978 Starting with the design enlightenment and closely following the evolution of the visual and material forms in three levels of individual group and country since the reform and opening up the book comprehensively and meticulously describes and analyzes the social particularity of the changes of Chinese design art in this period and makes corresponding evaluations on its success and failure The author believes that Chinese modern design thinking has arisen from the problems displayed in the phenomena and events of Chinese modern design Therefore with nine chapters organized in chronological order and unfolded layer by layer by focusing on the relevant topics of design thinking the book has sorted out the academic contentions important events phenomena details of Chinese design in this period by placing design in the background of great history and has searched discovered and summarized the key problems of Chinese design in each stage and analyzed the causes and consequences and has specially studied on the gains and losses of important phenomena and theoretical problems and correspondingly made theoretical comments Therefore it is a book comprehensively presenting the overall look of the development of Chinese modern design thinking history This book has a grand structure and detailed content The

author and her research objects always coexist in the same context and the writing style is fresh the argument is reasonable and the pictures and texts complement each other so the book has both academic depth and readability *Ceramics and Modernity in Japan* Meghan Jones, Louise Allison Cort, 2019-10-16 *Ceramics and Modernity in Japan* offers a set of critical perspectives on the creation patronage circulation and preservation of ceramics during Japan's most dramatic period of modernization the 1860s to 1960s As in other parts of the world ceramics in modern Japan developed along the three ontological trajectories of art craft and design Yet it is widely believed that no other modern nation was engaged with ceramics as much as Japan a potter's paradise in terms of creation exhibition and discourse This book explores how Japanese ceramics came to achieve such a status and why they were such significant forms of cultural production Its medium specific focus encourages examination of issues regarding materials and practices unique to ceramics including their distinct role throughout Japanese cultural history Going beyond descriptive historical treatments of ceramics as the products of individuals or particular styles the closely intertwined chapters also probe the relationship between ceramics and modernity including the ways in which ceramics in Japan were related to their counterparts in Asia and Europe Featuring contributions by leading international specialists this book will be useful to students and scholars of art history design and Japanese studies
