Li Tianji's The Skill of Xingyiquan Andrea Falk,2000 This book is a general introduction to the system of Hebei province Xingyiquan Li Tianji completed the book that his father had started and Andrea Falk did the translation Andrea practises the style that Li teaches so shows a good understanding of the material This is a great book for a general overview of the Xingyiquan system containing the five elements twelve animals routines and classic materials [Claiming the City](#) Shelton Stromquist,2023-02-14 Winner of the International Labor History Association ILHA 2023 Book of the Year Award for labor history For more than a century municipal socialism has fired the imaginations of workers fighting to make cities livable and democratic At every turn propertied elites challenged their right to govern Prominent US labor historian Shelton Stromquist offers the first global account of the origins of this new trans local socialist politics He explains how and why cities after 1890 became crucibles for municipal socialism Drawing on the colorful stories of local activists and their social democratic movements in cities as diverse as Broken Hill Christchurch Malm Bradford Stuttgart Vienna and Hamilton OH the book shows how this new urban politics arose Long governed by propertied elites cities in the nineteenth century were transformed by mass migration and industrialization that tore apart their physical and social fabric Amidst massive strikes and faced with epidemic disease fouled streets unsafe water decrepit housing and with little economic security and few public amenities urban workers invented a local politics that promised to democratize cities they might themselves govern and reclaim the wealth they created This new politics challenged the class power of urban elites as well as the centralizing tendencies of national social democratic movements Municipal socialist ideas have continued to inspire activists in their fight for the right of cities to govern themselves **You Are Your Own Gym** Mark Lauren,Joshua Clark,2011-01-04 From an elite Special Operations physical trainer an ingeniously simple rapid results do anywhere program for getting into amazing shape For men and women of all athletic abilities As the demand for Special Operations military forces has grown over the last decade elite trainer Mark Lauren has been at the front lines of preparing nearly one thousand soldiers getting them lean and strong in record time Now for regular Joes and Janes he shares the secret to his amazingly effective regimen simple exercises that require nothing more than the resistance of your own bodyweight to help you reach the pinnacle of fitness and look better than ever before Armed with Mark Lauren s motivation techniques expert training and nutrition advice you ll see rapid results by working out just thirty minutes a day four times a week whether in your living room yard garage hotel room or office Lauren s exercises build more metabolism enhancing muscle than weightlifting burn more fat than aerobics and are safer than both since bodyweight exercises develop balance and stability and therefore help prevent injuries Choose your workout level Basic 1st Class Master Class and Chief Class and get started following the clear instructions for 125 exercises that work every muscle from your neck to your ankles Forget about gym memberships free weights and infomercial contraptions They are all poor substitutes for the world s most advanced fitness machine the one thing you are never without

your own body Keeping Busy James R. Dowling,1995-05-01 Although very little can be done to alter the course of dementia much can be done to maximize the quality of life of people with the condition Research as well as practical experience suggest that behavior management especially through programs that provide meaningful and constructive activity is currently the most effective treatment In *Keeping Busy* James Dowling describes a variety of activities designed to bring meaning and enjoyment to the lives of persons with dementia The activities are organized by general categories such as music exercise horticulture pets humor and social events The largest section deals with communication and includes word games that help people strengthen their remaining verbal skills The description of each activity includes step by step instructions as well as tips on how to adapt it for small or large groups for individuals at home or in an organization or people who are bedridden *50 Hikes in Central Florida* Sandra Friend,John Keatley,2018-12-04 A Florida hike for every interest and ability Florida s landscape is a marvel of diversity and Central Florida is its pinnacle Footpaths range through salt marshes river floodplains and along coastal dunes and beaches Trails pass through desert like scrub islands jungle like hydric hammocks and deep dark bayous There s no better way to take in this natural world than by walking it Ranging from 1 to 43 miles in length each hike includes directions a detailed map and information on hike duration difficulty and trail conditions Explore a new side of Florida from hidden urban gems like the Circle Bar B Ranch in Lakeland and Ponce Preserve in Daytona Beach to the quiet rural landscapes of Catfish Creek State Park and Chinsegut Hill *The Swimming Drill Book* Ruben Guzman,2017-03-30 Technique is critical in swimming performance In the pool or open water coaches and athletes alike know that efficiency in entering the water and in moving through it equates to milliseconds of improvement milliseconds that make all the difference in a competition That s where *The Swimming Drill Book* continues to deliver The first edition quickly became the best selling drill book in the sport Now this second edition ups the ante with more drills new variations and expanded coverage to help every swimmer Inside you ll find more than 175 drills for refining strokes correcting faults and improving your feel for the water In addition to mastering all four competitive strokes freestyle backstroke breaststroke and butterfly you ll learn the essentials of body position sculling starts turns and finishes You ll even find all new coverage of open water drills and strength band workouts to be performed poolside See for yourself why *The Swimming Drill Book* is on the shelf of every serious swimmer and coach It delivers every stroke every skill and everything you need for swimming success *The Swimming Drill Book, 2E* Guzman, Ruben,2017-03-01 The best selling drill book in the sport is now updated expanded and improved More than 175 drills accompanied by detailed illustrations will help coaches and swimmers master every skill Drills for strokes starts turns and finishes as well as for buoyancy and body balance breathing and kicking and sculling are bolstered by new chapters on poolside strength training and open water swimming Britain's Best Small Hills Phoebe Smith,2017-09-05 Hot on the success of *Wilderness Weekends* one of the top selling guides in 2015 award winning travel writer Phoebe Smith returns with more great outdoor experiences tailored not just for

the hard core wilderness enthusiast but for novices and newbie hillwalkers alike Take a friend or take the kids or both and climb one of Phoebe s favourite hills There are 60 of them detailed in this easy to follow guide which champions a new easy access approach to hillwalking With 20 hills each in England Wales and Scotland from just 120 metres to a manageable 609 metres and from Cornwall to the Scottish Highlands there s bound to be a hill for you When it comes to mountains society seems to be obsessed with height says Phoebe Smith But those who shun peaks based on measurement are truly missing out Following on from the success of Wilderness Weekends people are always asking me where they can take a friend partner or young child that will help convince them that the outdoors and hills are worth the effort Answering that need is this book it s all about minimum effort for maximum results Each walk also includes tips on safety kit weather walking responsibly maps tackling hills sensibly and taking children friends and reluctant walkers

Diary of a Farmer at the Foot of Mt. Kanpū
Saburō Yoshida, 2025-07-31 On March 13 1935 in a small village on the craggy Oga Peninsula in northeastern Japan an industrious vegetable farmer named Yoshida Sabur began writing a one year chronicle of his life and community having received the assignment from Tokyo financier Shibusawa Keiz a passionate folklore enthusiast and ethnological research supporter In his diary Yoshida reports meticulous discussions of farming and village life providing thorough documentation of his family s meals daily itemized tallies of income and expenditures plus crop and household financial data going back seven years His coverage of folkways customs and superstitions give insight into traditions and faith while illuminating his progressivism that is further highlighted by critiques of other farmers methods Yoshida reveals a microcosm populated by unsympathetic landlords destitute tenant farmers disenfranchised young men vulnerable young women and increasingly covetous villagers amidst poverty all within a contracting economy and a growing imperialist state Yet it is not an isolated world the village is strongly connected to the outside at the local and regional levels and to the state Yoshida s chronicle is representative of the living conditions of at least sixty percent of Japan s population in the 1930s shedding light on an important period in the country s modern history an era that was the culmination of seven decades of political and economic development with rising rural poverty exacerbated by a clash between feudalism and capitalism In the historical record Yoshida himself is a rare and valuable link between the farmer of the early modern period and that of the early postwar era His diary was published in 1938 by the Attic Museum which was founded by Shibusawa complete with 160 illustrations including photographs taken by the author before slipping into semilegendary status This annotated and amended English version containing more than twenty new photographs allows the world to vicariously experience a tiny farming village in prewar Japan through Yoshida s precise documentation For his translation of the diary Donald C Wood received the 2022 2023 Lindsley and Masao Miyoshi Translation Prize awarded by the Donald Keene Center of Japanese Culture at Columbia University in New York
