The Scientific Image Bas. C. van Fraassen, 1980-12-11 In this book van Fraassen develops an alternative to scientific realism by constructing and evaluating three mutually reinforcing theories

THIS MOMENT...NOW Thomas J. Ols, 2011-08-27 Two young boys are standing over a huge pile of horse manure out next to the barn The first kid says Wow What a mess It sure does stink His friend next to him says Cool There must be a pony around here somewhere So which are you the pessimist or the optimist From the first story to the last you will find words and ideas that allow you to take a different point of view from where you are standing You will find ways to open your mind each day and to create the desires that have been inside you since birth You will give yourself permission to step up to the way God intended for you to live in this lifetime No matter what the circumstance you always have a choice to turn any chaos around to achieve contentment joy and abundance You can read this book from start to finish or you can simply take a deep breath and turn to the page that offers a message you most need at this moment Trust the process trust yourself and know there are no mistakes You are exactly where you should be this moment Start from where you are because that is where your power lies Enjoy my words from my heart to yours
