The Nature Of Homosexuality Vindication For Homosexual Activists And The Religious Right:

The Nature of Homosexuality Erik Holland, 2004-11 Some biological correlates of homosexuality can be dismissed with little difficulty but others are hard to explain away Some specific family environments and childhood experiences have been reported as more common among homosexuals than heterosexuals Homosexual behaviors or interests tend to be unstable in some individuals and this has been interpreted as suggesting that some people chose to be homosexual Additionally homosexuality in some contexts was socially tolerated and not extremely uncommon as in classical Greece Tokugawa Japan and some other societies i e homosexuality could be socially constructed Given diverse potential sources of homosexuality is a parsimonious explanation of what makes one a homosexual possible *Queer Questions, Clear Answers* Thomas S. Serwatka, 2010-05-05 This provocative book examines the important issues in contemporary debates on sexual orientation from our various religious beliefs to our stereotypes about homosexuals from questions about the origin of sexual orientation to the lessons we can learn from history *Queer Questions Clear Answers The Contemporary Debates on Sexual Orientation* offers an eye opening conversation about questions facts and fears relative to sexual orientation The book is framed around a series of nine sets of queer questions including Who is queer and who is not How do we interpret and use sacred scriptures to control behavior and set public policy What lessons can we learn from history and psychology and What is the homosexual agenda The author himself a gay man and prominent academic combines cross disciplinary research and personal anecdotes in his intriguing search for answers to questions that are central to ongoing cultural and political debates In discussing each set of questions he examines perspectives and arguments from across the political spectrum The clear articulate and wholly candid answers he offers will help readers get beyond the headlines and the sound bites to better understand many important arguments about homosexuality and human rights **Humanity and Human Sexuality: The Origin and**

Nature of Sexual Preference Kevin Franklin, 2024-03-28 In *Humanity and Human Sexuality The Origin and Nature of Sexual Preference* Dr Kevin Franklin embarks on an extraordinary exploration of the human being of mind and their potential Delving deep into themes of confusion and disorder he unveils how a trickster mind can hinder an individual's true potential for life and freedom Drawing from his own profound experiences of childhood psychosis which once seemed to destine him for a life overshadowed by schizophrenia and the threat of early suicide Dr Franklin defies expectations This book ventures beyond traditional boundaries to examine the metaphysical aspects of psychological order offering a unique perspective on the often misunderstood concepts of societal and psychological disorders Dr Franklin's insights extend into a scientific demonstration of the innate origins and nature of both heterosexual and homosexual preferences *Humanity and Human Sexuality The Origin and Nature of Sexual Preference* illuminates various fields Philosophy Religion History Science Society and Psychology offering a revolutionary viewpoint on these disciplines It challenges long held beliefs and misconceptions particularly in the realms of sexual identity the gender and transgender discussion and the complex relationship between

religion and science Structured in two parts the book first deconstructs the mythology of sexual identity before reconstructing a comprehensive understanding of human sexuality It seeks to resolve some of humanity s most pressing issues the lack of human compassion the intricacies of gender identity and the historical tensions between religious beliefs and scientific understanding This book is an essential read for anyone seeking a deeper understanding of the origins and nature of sexual preference and identity and the broader implications for society *The Oxford Handbook of LGBTI Law* ,2025-11-04 The legal rights and protections of members of the LGBTI community have been subject to debate in courtrooms and in academic law discourse internationally for decades increasingly so since the 1990s A great deal of the legal literature consists of guides or journal articles on specific domestic legal systems and their rulings with a particular focus on the United States and Europe The Oxford Handbook of LGBTI Law in contrast presents an unprecedented international view of the law as it pertains to sexual orientation and gender identity This includes examination of how individual international courts have ruled on LGBTI issues and how these issues have been addressed in regions not typically addressed in mainstream literature such as Asia Africa and the Middle East Besides the corresponding question of LGBTI migration a broad array of topics related to legal protections or lack thereof for LGBTI persons is also covered from the legal rights to marriage and parenting to the rights to participate in sports the workplace and other areas of community life free from discrimination Several chapters address issues specifically faced by transgender individuals and other gender minorities The Handbook is a comprehensive but concise collection of articles about the common problems faced by LGBTI people around the world written by an international team of renowned experts Readers will benefit from their wealth of expertise and diversity of background while gaining a holistic understanding of how LGBTI people interact with the law and how the scope of these interactions has changed over a span of several decades The Handbook not only serves as an academic resource but also as a practical guide for those involved in advocacy and policymaking ensuring that readers are well equipped to understand and engage with the multifaceted legal issues surrounding gender identity and sexual orientation *The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality* K. Moore,2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok

videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly

Bird Bonds Gisela Kaplan, 2019-09-24 Some Australian native birds become childhood sweethearts and court for years before they get married Others divorce because of personality clashes and different skill levels Many negotiate their parenting duties But how do these personal life events link to long lasting bonds long life spans and exceptional overall intelligence Professor Gisela Kaplan an eminent voice in animal behaviour and particularly bird behaviour draws on the latest insights in the evolution of particular cognitive and social abilities She uncovers motivations and attractions in partner choice that are far more complex than was once believed She shows how humans and birds may be more alike in attachment and mating behaviour than we think despite the enormous evolutionary distance between us Based on a wealth of original research and complemented by illustrations and colour photographs Bird Bonds is a valuable resource and a beguiling insight into the world of the birds around us

Culture at the Crossroads Asma Hichri, Samira Mechri, 2021-06-02 This collection explores the interfaces of culture gender and power from politico religious linguistic legal and historiographic perspectives More importantly the contributions gathered here examine culture s manifestations in different socio economic political theoretical and discursive contexts Being aware of the crisis in humanities researchers scholars and experts seek to relocate culture and cultural studies within academia and analyze the epistemological relationship between culture and education while also trying to eschew and refashion the stale conventional methodologies of approaching culture as an academic subject Is it possible to go beyond the crisis in humanities by valorizing culture in social and human sciences on the one hand and natural and exact sciences on the other especially when we take into consideration the escalation of fundamentalist extremist and xenophobic tendencies all over the globe How can we approach the issues of ethics and teaching humanities and sciences This book moves beyond conventional conceptions of culture that associate it with knowledge and enlightenment to suggest a holistic view of culture that enacts the dialectics of power nationality class gender and ethnicity in an ever shifting transnational context Engaging readers in a lively intellectual and cultural debate this volume is essential reading for undergraduate and graduate students teachers critics and scholars from various academic fields and disciplines including historiography cultural studies anthropology political science literature and critical theory

¿Gay y cristiano? Michael Brown, 2014-06-03 Respuestas a las preguntas difíciles acerca de la homosexualidad y la iglesia con AMOR y VERDAD C mo deben responder los cristianos a quienes llevan un estilo de vida gay pero que afirman que aman profundamente al Señor C mo les respondemos cuando dicen que la ley más importante es el amor y que este nos obliga a aceptarlos tal como son Qu hacemos con el argumento de que las leyes del Antiguo Testamento ya no son válidas Gay y cristiano responde a estas y otras preguntas con una perspectiva y un conocimiento bíblicos ofreciendo una guía til para todos los cristianos que tienen amigos o miembros de la familia que son gays o luchan con su propia sexualidad No hay duda

de que la homosexualidad se ha convertido en un gran problema moral y espiritual para la iglesia en esta generaci n Pero qu piensa Dios sobre este asunto Qu est escrito en su Palabra Qu querr a Jes s que hici ramos Con amor misericordia y sin diluir la verdad de la Escritura Michael Brown le gu a a trav s de diversos debates argumentos y puntos de vista para que llegue a una conclusi n compasiva franca y cimentada en la Palabra de Dios Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God s power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family Kalyana Mitra: Volume 11 Prof. Katta Narasimha Reddy, Prof. E.
