The New Charismatics The Origins Development And Significance Of Neo Pentecostalism:

The New Charismatics Richard Quebedeaux, 1976 *Contemporary Pentecostal Christianity* J. Kwabena Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century *The New International Dictionary of Pentecostal and Charismatic Movements* Stanley M. Christological Paradigm Shifts in Prophetic Pentecostalism in South Africa Mookgo Solomon Kgatle, Marius Nel, Collum Banda, 2021-09-22 This book explores recent developments in South African Pentecostalism focusing on new prophetic churches The chapters engage with a number of paradigm shifts in Christology identified as complementing Christ competing with Christ removing Christ and replacing Christ What are the implications of these shifts Does it mean that believers no longer believe in Christ but in their leaders Does it shift believers faith towards materiality than the person of Christ This volume will be valuable for scholars of African Christianity and in particular those interested in the neo prophetic movement and Christology in a South African context

Straight to Jesus Tanya Erzen, 2006-06-27 Every year hundreds of gay men and lesbians join ex gay ministries in an attempt to convert to non homosexual Christian lives In this fascinating study of the transnational ex gay movement Tanya Erzen focuses on the everyday lives of men and women at New Hope Ministry a residential ex gay program over the course of several years Straight to Jesus traces the stories of people who have renounced long term relationships and moved from other countries out of a conviction that the conservative Christian beliefs of their upbringing and their own same sex desires are irreconcilable Rather than definitively changing from homosexual to heterosexual the participants experience a conversion that is both sexual and religious as born again evangelical Christians At New Hope they maintain a personal relationship with Jesus and build new forms of kinship and belonging By becoming what they call new creations these men and women testify to religious transformation rather than changes in sexual desire or behavior Straight to Jesus exposes how the Christian Right attempts to repudiate gay identity and political rights by using the ex gay movement as evidence that change is possible Instead Erzen reveals the realities of the lives she examines actually undermine this anti gay strategy

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

The God Pumpers Marshall William Fishwick, Ray Broadus Browne, 1987 The rituals of religion these days as practiced in the United States on television have become big theatre a big show Televangelism is big business amounting to billions of dollars each year Televangelists

discussed are Billy Graham Jimmy Swaggert Jerry Falwell Jim and Tammy Bakker Terry Cole Whittaker Marilyn Hickey Danuto Rylko Soderman and Beverly LaHaye Speaking in Tongues: A Critical Historical Examination, Volume 2 Philip E. Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus No other resource on the subject approaches the depth and scope of the present volume **The Search for Salvation** David F. Wells, 2000-02-02 David Wells discusses the doctrine of salvation from six perspectives conservative existential God is dead neo orthodox liberation revolutionary and Roman Catholic Each of these schools of thought is explored in its views toward revelation and the work of Christ its strengths and weaknesses *Pilgrims in Their Own Land* Martin E. Marty, 1985-08-06 *Pilgrims in Their Own Land* is Martin E Marty's vivid chronological account of the people and events that carved the spiritual landscape of America It is in one sense a study of migration with each wave of immigrants bringing a set of religious beliefs to a new world The narrative unfolds through sharply detailed biographical vignettes stories of religious pathfinders including William Penn Mary Baker Eddy Henry David Thoreau and many other leaders of movements both marginal and mainstream In addition Marty considers the impact of religion on social issues such as racism feminism and utopianism And engrossing highly readable and comprehensive history *Pilgrims in Their Own Land* is written with respect appreciation and insight into the multitude of religious groups that represent expressions of spirituality in America
