The New College Financial Aid System Making It Work For You:

The New College Financial Aid System David Jaffe,1993 These are the facts strategies and loopholes you ll find it difficult or impossible to learn from the colleges you are applying to If your family earns between 30 000 and 130 000 and you don t want to cash in your retirement funds or take a second mortgage in order to send your children to college this book is a necessity It tells in layman s terms how to get the largest possible amount of financial aid based on your own unique financial situation You may assume you cannot qualify because your family earns too much or your assets are too great Chances are you re wrong you can be a candidate for college aid Over 23 billion in federal aid is available each year and millions of dollars more are available from American colleges and universities You don t have to be a hardship case to qualify for significant financial aid for educational purposes Middle and even upper middle class families may receive 5 000 and up to 20 000 per year if they learn the strategies clearly and definitively outlined in this book It s all a matter of having the right answers in the right places and David Jaffe will walk you thorough the entire process step by step This book has been rushed to press in order that it can include the very important changes which govern financial aid since the recent passage of the amended Higher Education Act

The New College Reality Bonnie Kerrigan Snyder,2012-03-18 College is the doorway to a golden future right But if you re not careful it s also a path to a mountain of debt Worst case scenario You struggle for years to pay for an education that you can t turn into a paying job But it doesn t have to be that way In *The New College Reality* Dr Bonnie Snyder tells you how the system works and how to make college pay off Forget conventional wisdom and let her revolutionary rules show you how to integrate job planning and education with financial responsibility Make sure your degree relates to existing or emerging jobs Resumes personal brands and college contacts lead to jobs Shelter your assets from the financial aid formula Limit your total borrowing to your expected first year salary Always be ready to create your own job Don t squander money on a useless self indulgent degree Instead squeeze maximum career value out of every semester of college while scrimping on costs The result will be a great career that really uses your education
