The New Democracies Global Change And Us Policy Paperback By Roberts Brad:

Empires and Nations from the Eighteenth to the Twentieth Century Antonello Biagini, 2014-08-11 This volume is the result of an international conference held at Sapienza University in Rome on June 20 and 21 2013 as the final stage of the PRIN Progetto di rilevante interesse nazionale project Empires and Nations from the 18th to the 20th century during which scholars from all over the world academics specialists young researchers PhD students and post doctorates confronted diverse but connected topics on the relations between multinational empires and the idea of the nation In this way the reality of the historical empires and national states was represented and concepts such as identity nationality and sovereignty analyzed The second volume is dedicated to the age of empires and colonialism with particular reference to the colonial policy of the Great Powers England Russia and Italy the reality of post colonial states and to the different patterns of decolonization including specific cases such as South Sudan Azerbaijan Iraq Afghanistan and Palestine Particular attention is paid to the economic systems of different countries and to the area of Southeastern Europe particularly to Romania and its multicultural area Transylvania To the Great War and the dissolution of the multinational empires ample space is dedicated providing insights on border issues ethnic conflicts foreign policies the Adriatic question and the territorial conflict between Yugoslavia and Italy The final part of the book analyzes communism the bipolar system and the East West conflict that divided Europe for almost half a century with specific contributions that discuss post communist nations and states

Corporations, Global Governance, and Post-conflict Reconstruction Peter Davis, 2013 In the past two decades the international community has shown an increased proclivity to engage in programmes of post conflict reconstruction in the aftermath of wars During the same period increased globalisation has meant that multinational companies have grown greatly in size and influence and have begun to challenge existing notions of governance at a global level Here Peter Davis explores the reconstruction processes that have taken place in Azerbaijan Bosnia and Rwanda Based on extensive field work as well as existing literature this book plots the recovery of these countries from conflict and examines in detail the role that international companies have played in that process The book also explores how companies impacts on reconstruction are governed both by the companies themselves and by the host government and international agencies managing the rebuilding process

Promoting Polyarchy William I. Robinson, 1996-08-22 Controversial expos of US policy towards democracy in the Third World

"Public Religion" and the Pancasila-based State of Indonesia Benyamin Fleming Intan, 2006 Public Religion and the Pancasila Based State of Indonesia An Ethical and Sociological Analysis analyzes the public role of religion in Indonesian society from the pre independence period to the end of Suharto's New Order government It offers constructive suggestions regarding how Indonesian religion can play a significant role within the framework of Pancasila Indonesia's national ideology Based on a Christian Muslim dialogue it is only within the realm of civil society that Indonesian religion will be able to promote the ideas of democracy tolerance and human rights in Indonesian public affairs In short far from being

anti pluralist Indonesian religion evolves as a liberating force in the life of society nation and state Law and Religion, An Overview Silvio Ferrari, 2017-07-05 The focus of this volume is on the historical and geographical elements of law and religion The first part delineates and analyzes the relation between church and state from the Gregorian Revolution to the human rights era and gives a sense of the evolution of the church and state relationship whilst the second part explores law and religion issues around the world The volume redresses the tendency towards a western centric approach in the discipline by including essays from regional experts which present local approaches to law and religion in Asia Africa and South America The collection is unique in that it brings together wide ranging case studies and out of print papers and is an important resource for established and new scholars in the field **Economic Transition in Eastern Europe and Russia: Realities of Reform** , An evaluation of the efficacy of different forms of liberalization since the fall of communism in Eastern Europe in the form of 13 essays on economic and political reforms Following an extensive introductory essay Economic Reform Appropriate Steps and Actual Policies the remaining essays are organized in three parts fundamental components of economic reform specific problems in reform and comparisons and evaluations Annotation copyright by Book News Inc Portland OR Foreign Affairs , CSIS News , 1988 Human Rights And Security Vojtech Mastny, 2020-01-29 Inquiries into the relationship between security and human rights are of very recent vintage They have long been hampered by political scientists predilection for political realism From that perspective there seemed little doubt that power comes first and any human rights but a poor second As wishful thinking turned into reality during the Eastern European revolutions of 1989 the limitations of such shortsighted realism became apparent This book examines the causes and consequences of the emerging new relationship between security and human rights It is divided into two parts which deal respectively with security and human rights and their relationship to states and societies What is the theoretical linkage between security and human rights How has this linkage evolved within the context of East West relations What was the particular role of the Helsinki process in shaping this evolution How do these issues affect the difficult transition from dictatorship to pluralism in countries facing the challenge of ethnic economic and social dislocation The contributors to this volume seek to deepen our understanding of the forces that brought about the collapse of communism in Europe and they explore the broader implications of change for the emerging post cold war international order **American Book Publishing Record** , 1995
