The New Fieldbook For Trainers Tips Tools And Techniques:

Communication Skills Virtual Training Maureen Orey, 2021-04-06 Communication Skills Virtual Training offers the crucial tools you'll need to help your workshop participants master the skills that drive performance. Providing your participants with a deeper, more nuanced understanding of communication will give them a solid foundation upon which to build strong skills and relationships in the workplace. Derived from the first book in the ATD Workshop series, this edition focuses on delivering virtual training and workshops with practical, road-tested strategies and tactics for use at all levels of your organization. New content geared to virtual training is included in presentation materials, agendas, handouts, assessments, and tools.

Communication Skills Virtual Training presents two-day, one-day, and half-day communication training programs along with relevant chapters on needs analysis, design, delivery, facilitation, and evaluation of the training event. *Leadership Training*

Lou Russell, 2015-01-30 Like a great leader, a great leadership training aligns the right people to the right task at the right time. Whether you are developing a first-rate leadership development program from scratch or adding to an existing workshop, let leadership expert and master trainer Lou Russell be your guide. The second book in the ATD Workshop Series, *Leadership Training*, presents a step-by-step blueprint to developing and delivering dynamic, powerful leadership training. Complete with effective training methodologies, this book helps you accelerate learning and leverage technology for maximum efficiency. You'll also find tools to assess leadership strengths and weaknesses. Half-day, full-day, and two-day workshop programs found in this volume make planning easy and can be tailored for the unique needs of your organization. Supplemental resources are available online and include downloadable and customizable presentation slides, handouts, assessments, and tools. About the series: The ATD Workshop Series is written for trainers by trainers because no one knows workshops as well as the practitioners who have experienced it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.

The New Fieldbook for Trainers John E. Jones, William L. Bearley, 1996 This innovative book is a gold mine of field-tested principles, activities, instruments, and designs. The materials will help you produce high-impact training to support performance improvement initiatives for individuals and teams. Everything is reproducible and even customizable using the word processing files provided on disk. More than 60 tools, activities, and designs are included. *Facilitation Skills Training*

Kimberly Devlin, 2017-03-31 Help them make the most out of every meeting. Rambling group discussions, tangential concerns, difficult attendees, and unclear objectives can all derail a facilitated event and often do. But more than just learning how to avoid the pitfalls, effective facilitators ease the way for groups to achieve desired outcomes, redirect them to constructive paths, and rally commitment to action plans. Expert trainer and facilitator Kimberly Devlin has designed interactive half-day, one-day, and two-day workshops to develop the essential skills of facilitating meetings that inspire, engage, and get results. Complete with all the activities, handouts, assessments, and presentation slides you will need to accelerate learning, these
