

MYTH, MASCULINITY & ME

In today's gender revolution we often hear people identifying as "more or less masculine" or "more or less feminine." But do we really know what masculinity is? Is it a concrete and definable category or something that is more ambiguous and mutable?

In this book, the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity. Along the way the reader will hear about both healthy and unhealthy, or "toxic," masculinity. The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture, family and institutions.

This book utilizes an archetypal and mytho-poetic framework to analyze, experience and form a new relationship to "masculinity" and the innermost self. Through the story of *Peter Pan*, the author analyzes archetypal masculinity from infancy through childhood. Next the author takes the reader through *The Strange Case of Dr. Jekyll and Mr. Hyde* to discuss the major split most men face between their inner reality, exterior persona and the shadow that lurks behind them. Finally, the author takes a bold leap into the story of *Beowulf* to battle the dragons of cultural stereotypes, falsely imposed limitations and dangerous self beliefs that affect the individual, not just as a man, but as a human.

This is one man's story. It is about learning and taking responsibility for the kind of life we ultimately want to lead, as well as the kind of world we want to leave behind to those who follow.

About the Author

David M. Martin has been working in the field of mental health for 30 years. He holds a MA from the Institute of Transpersonal Psychology and a MA in Counseling Psychology from Lewis & Clark College. Currently David has a private practice in Portland, Oregon. Visit his website at www.davidmartintherapy.com.

This book is a personal and professional exploration that is not just another clinical application of theory, but a revelation and admission of being an authentic human in the awkward and beautiful journey called life.

The Myth Of Masculinity

Michael S. Kimmel

The Myth Of Masculinity:

The Myth of Masculinity Joseph H. Pleck, 1981 In this book Joseph Pleck examines and analyzes the full body of research literature on the male role that has appeared since the 1930s and subjects it to a devastating critique He identifies the components of the male sex role paradigm which has been the basis of research for the past forty years and notes numerous instances of blatant misrepresentation of data twisted reinterpretations of disconfirming results misogyny homophobia and class bias He proposes a new theory the sex role strain paradigm offers a reinterpretation of sex role stereotyping and a critique of research by sociobiologists that allegedly demonstrates a biological basis for male aggression

The Myth of Masculinity Joseph H. Pleck, 1981 **The Cultural Myth of Masculinity** Chris Blazina, 2003-07-30 This volume shows how masculinity is a socially constructed entity with a definition that has evolved over time Masculine icons heroes and methods of male socialization allow for contextual examination of specific time periods which is necessary to understand the concept of Western masculinity The volume presents two masculinities representing the aristocracy and the warrior class notions of how to be a man that have vied for dominance throughout most of Western culture

Racial Myths and Masculinity in African American Literature Jeffrey B. Leak, 2005 The portrayal of black men in our national literature is controversial complex and often contradictory In *Racial Myths and Masculinity in African American Literature* Jeffrey B. Leak identifies some of the long held myths and stereotypes that persist in the work of black writers from the nineteenth century to the present intellectual inferiority criminality sexual prowess homosexual emasculation and cultural deprivation Utilizing Robert B. Steptoe's call and response theory Leak studies four pairs of novels within the context of certain myths identifying the literary tandems between them and seeking to discover the source of our culture's psychological preoccupation with black men Calling upon interdisciplinary fields of study literary theory psychoanalysis gender studies legal theory and queer theory Leak offers groundbreaking analysis of both canonical texts representing the call of the call and response dyad and texts by emerging writers representing the response including Frederick Douglass and Charles Johnson Ralph Ellison and Brent Wade Richard Wright and Ernest J. Gaines and Toni Morrison and David Bradley Though Leak does not claim that the response texts are superior to the call texts he does argue that in some cases the newer work such as Charles Johnson's *Oxherding Tale* can address a theme or offer a narrative innovation not found in preceding texts such as *Narrative of the Life of Frederick Douglass* In these instances argues Leak the newer texts constitute not only a response to the call text but a substantial revision Leak offers the first in depth criticism of black masculinity in a range of literary texts In a final chapter he expands his discussion to the emerging field of black masculinity studies pointing to future directions for study including memoir film drama and others Poised on the brink of exciting new trends in scholarship *Racial Myths and Masculinity in African American Literature* is a flagship work enhancing the understanding of literary constructions of black masculinity and the larger cultural imperatives to which these writers are reacting

Myths of Masculinity William G. Doty, 1993 A redefinition of

gender and of masculinity and femininity which may liberate men and women from constrictions imposed by dominant past models

Myth, Masculinity & Me David M. Martin, MA, 2019-10-14 Myth Masculinity Me By David M Martin In today's gender revolution we often hear people identifying as more or less masculine or more or less feminine But do we really know what masculinity is Is it a concrete and definable category or something that is more ambiguous and mutable In this book the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity Along the way the reader will hear about both healthy and unhealthy or toxic masculinity The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture family and institutions This book utilizes an archetypal and mytho poetic framework to analyze experience and form a new relationship to masculinity and the innermost self Through the story of Peter Pan the author analyzes archetypal masculinity from infancy through childhood Next the author takes the reader through The Strange Case of Dr Jekyll and Mr Hyde to discuss the major split most men face between their inner reality exterior persona and the shadow that lurks behind them Finally the author takes a bold leap into the story of Beowulf to battle the dragons of cultural stereotypes falsely imposed limitations and dangerous self beliefs that affect the individual not just as a man but as a human This is one man's story It is about learning and taking responsibility for the kind of life we ultimately want to lead as well as the kind of world we want to leave behind to those who follow

An Introduction to Masculinities Jack S. Kahn, 2009-03-30 In the last thirty years there has been a tremendous growth in the academic inquiry to understand men in their experiences as men This growth is largely due to growing awareness of the problems that people face in trying to understand what it means to be masculine This text introduces students to the research theories and basic issues in the field of Men and Masculinities highlighting debates about the definition origin and the crisis in masculinity The author provides a framework for studying the field of masculinities incorporating feminist social constructionist and interdisciplinary perspectives Written in an accessible style *An Introduction to Masculinities* provides personal anecdotes and contemporary examples to make the theoretical concepts relevant to students' lives The text also introduces students to leading contributors and experts whose work have informed the field The author gives the reader a context and structure by which they can critically understand and evaluate information about men and masculinities An Instructor's Manual is available at www.wiley.com/go/kahn Click here for more discussion and debate on the author's website <http://jackkahn.com> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates

What a Man's Gotta Do Anthony Easthope, 2013-06-17 What is masculinity Drawing on psychoanalysis and an understanding of ideology Easthope shows how the masculine myth forces men to try to be masculine and only masculine

denying their feminine side In an original contribution to the understanding of gender he analyzes masculinity as it is represented in a wide range of mass media films television newspapers pop music and pop novels Why are two men in a John Wayne western more concerned with each other than with the women in their lives Is aggressive male banter a sign that men hate or love each other Why does a jealous man always have to see his rival Written in lively witty and accessible style What a Man s Gotta Do is certain to become controversial but essential reading Just Sex? Nicola Gavey,2018-10-26 In the award winning Just Sex The Cultural Scaffolding of Rape Nicola Gavey provides an extensive commentary on the existing literature on rape analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence Just Sex argues that feminist theory on sexual victimization has gone both too far and not far enough It presents the reader with a challenging and original perspective on the issues of rape sex and the body incorporating new material on sexism misogyny and digital culture as well as debates over gendered analyses of sexual violence The second edition has been updated and expanded to be extremely timely and relevant with the most recent high profile rape cases the Stanford rape case and the Belfast rape case being tried in the media and online The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence This will appeal to academic readers studying psychology sociology and criminology as well as those looking into cultural influences on society It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence **Manhood in America** Michael S. Kimmel,2018 For more than three decades the women s movement and its scholars have exhaustively studied women s complex history roles and struggles In Manhood in America A Cultural History Fourth Edition author Michael Kimmel argues that it is time for men to rediscover their own evolution Drawing on a myriad of sources he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards Kimmel contends that men must follow the lead of the women s movement it is only by mining their past for its best qualities and worst excesses that men will free themselves from the constraints of the masculine ideal
