**Skeletons in the Closet** Ronnie Anderson,2018-05-19 *Skeletons in the Closet* 93 939 words The inheritance of an old Civil War plantation home in Georgia was quite inviting to Glenda and Linda Hemingway especially when it involved a considerable amount of gold Everything was fine until they found a literal skeleton in one of the closets a

pentagram painted on the basement floor and the fact that their dog kept bringing in human bones that she had dug up from the yard

**The Making of the Modern Body** Catherine Gallagher, Thomas Laqueur, 1987-02-06 Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimilar material cultures subjected to various technologies and means of control and incorporated into different rhythms of production and consumption pleasure and pain The eight articles in this volume support supplement and explore the significance of these insights They belong to a new historical endeavor that derives partly from the crossing of historical with anthropological investigations partly from social historians deepening interest in culture partly from the thematization of the body in modern philosophy especially phenomenology and partly from the emphasis on gender sexuality and women s history that large numbers of feminist scholars have brought to all disciplines
