Parker,2017-05-08 In a world laced with the lethal threads of racism sexism classism and sexual oppression we need a liberating hope that dismantles these intersecting problems that render us into a stupor of chronic despair In the United States where the color of your skin can determine life or death we need hope that will give us life abundantly In a country where state laws prohibited mixed race marriages between white and black people as recent as the year 2000 and black white mixed race children were demonized by both whites and blacks our hope must be inspired by the Holy Spirit God the Creator and Redeemer at work in the world today This book offers emancipatory hope as this divine hope With a focus on black white mixed race young women and their troubling relationships with women and girls of all ethnicities *Between Sisters* provides a process toward emancipatory hope through forgiveness femalship fortitude and freedom The process toward emancipatory hope challenges Christian churches to practice forgiveness femalship fortitude and freedom in a racist society While the process is not without struggle it promises that hope through the power of the Holy Spirit will someday usher in a society of justice peace and love *Barcy Galah* Kerry Yates,2021-11-11 Life sucks then you find Barcaldine This is an unlikely love story where a city boy heads west and falls madly in love with outback Barcaldine western Queensland In Barcaldine family is everything The matriarch of the family is Grandma Elizabeth Mary Sleeman who with her sisters Louisa Jane and Amelia Ann rule the family roost A skeleton in the closet emerges which if revealed would shock people to the core City boy Kerry with Chunda Urquhart as his new mate are soon inseparable pushing boundaries and getting into strife So adjust your bicycle seats and come riding with the Barcy boys as they swim and fish in the nearby Alice River or seek treasure at the local dump building and defending their fort from other Barcy gangs with shangeyes as their weapons of choice On busy weekends attend pony club riding rogue adrenalin high stock horses or go roo and pig shooting as a form of family bonding Meet up at George s Greek cafe for a milkshake and plan their next misadventure or take in a movie in canvas seats where boiled lollies are sucked and young love blossoms However don t be caught in Beverley s torch of shame Enjoy the trip down memory lane where no one is defriended **Moon and the Mars** Kia Corthron,2021-09-07 An exploration of NYC and America in the burgeoning moments before the start of the Civil War through the eyes of a young biracial girl the highly anticipated new novel from the winner of the Center for Fiction s First Novel Prize Corthron a true heir to James Baldwin presents a

startlingly original exposure of the complex roots of American racism Naomi Wallace MacArthur Genius Playwriting Fellow and author of *One Flew Over the Cuckoo's Nest* and *The Mars* set in the impoverished Five Points district of New York City in the years 1857-1863 we experience neighborhood life through the eyes of Theo from childhood to adolescence an orphan living between the homes of her Black and Irish grandmothers Throughout her formative years Theo witnesses everything from the creation of tap dance to P.T. Barnum's sensationalist museum to the draft riots that tear NYC asunder amidst the daily maelstrom of Five Points work hardship and camaraderie Meanwhile white America's attitudes towards people of color and slavery are shifting painfully transformationally as the nation divides and marches to war As with her first novel *The Castle Cross the Magnet Carter* which was praised by Viet Thanh Nguyen Robin D.G. Kelley and Angela Y. Davis among many others Corthron's use of dialogue brings her characters to life in a way that only an award-winning playwright and scriptwriter can do As Theo grows and attends school her language and grammar change as does her own vocabulary when she's with her Black or Irish families It's an extraordinary feat and a revelation for the reader *Moon and the Mars* Corthron's latest masterpiece is an absorbing story of family and community of Africans and Irish of settler and native of slavery and abolition of a city and a nation wracked by Civil War and racist violence of love won and lost Robin D.G. Kelley author of *Thelonious Monk: The Life and Times of an American Original* **Dump Husband and Run Away with Baby** Ning
