The Pagan In Recovery: The Twelve Steps From A Pagan Perspective Deirdre A. Hebert,2011-06-11 The Twelve Steps developed by Alcoholics Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The Pagan in Recovery is the result of Deirdre Hebert s ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictions compulsive or co dependent behaviors through this process The Twelve Steps to

The Sermon on the Mount, the Twelve Steps, and the Royal Road Daniel Hazelwood,2018-04-13 In The Sermon on the Mount the Twelve Steps and the Royal Road Dan Hazelwood presents a unique blend of early church Christianity and the twelve step recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and highlights significant philosophical church and secular events that not only affected Christian thought but also were significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently By providing this background he prepares the reader to study the sermon in a manner the early church did while simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk
