

Steps to Spirituality

Steps Two through Five

"O God, listen to my cry! I hear my prayer from the ends
of the earth. I will cry to you for help, for my heart is
troubled. Lead me to the towering rock of safety, for
you are my safe refuge, a fortress where my enemies cannot
reach me. Let me live forever in your sanctuary, safe beneath
the shelter of your wings!"

— Psalm 86: 1-4 (The Life Recovery Bible)

Steps To Spirituality:

Twelve Steps to Religionless Spirituality Ward B. Ewing, 2021-09-09 The Twelve Steps of Alcoholics Anonymous provides a spiritual program dramatically distinct from religion Twelve Step spirituality is based on experience not doctrine it is pragmatic focusing on what works and not on theory it is centered in a community that is inclusive welcoming all who desire to stop drinking it seeks rigorous honesty even when that honesty involves painful questioning and it centers upon service to the still suffering alcoholic The power found in working the Steps is transformational moving participants from despair to hope from self focused resentment to concern for others and from angry efforts to control to gratitude for gifts received It works for atheists and agnostics secularists and free thinkers Christians Jews Muslims and other faiths At a time when more and more people identify themselves as spiritual but not religious and the traditional religious institutions are in decline in Western culture Twelve Step spirituality provides insights that can assist in the renewal and reinvigoration of our churches synagogues and mosques In our time of dramatic social polarization it can provide a foundation for bridging differences Largely unknown outside the recovery community this book examines how this transformative program can be relevant to today

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey,2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God
