Stiffed Betrayal Of Modern Man:

Stiffed Susan Faludi, 2000-09-19 One of the most talked about books of last year the Pulitzer Prize winning author of *Backlash* now explores the collapse of traditional masculinity that has left men feeling betrayed With *Backlash* in 1991 Susan Faludi broke new ground when she put her finger directly on the problem bedeviling women and the light of recognition dawned on millions of her readers what s making women miserable isn t something they re doing to themselves in the name of independence It s something our society is doing to women The book was nothing less than a landmark Now in *Stiffed* the author turns her attention to the masculinity crisis plaguing our culture at the end of the 90s an era of massive layoffs Angry White Male politics and Million Man marches As much as the culture wants to proclaim that men are made miserable or brutal or violent or irresponsible by their inner nature and their hormones Faludi finds that even in the world they supposedly own and run men are at the mercy of cultural forces that disfigure their lives and destroy their chance at happiness As traditional masculinity continues to collapse the once valued male attributes of craft loyalty and social utility are no longer honored much less rewarded Faludi s journey through the modern masculine landscape takes her into the lives of individual men whose accounts reveal the heart of the male dilemma *Stiffed* brings us into the world of industrial workers sports fans combat veterans evangelical husbands militiamen astronauts and troubled bad boys whose sense that they ve lost their skills jobs civic roles wives teams and a secure future is only one symptom of a larger and historic betrayal

Redundant Masculinities? Linda McDowell, 2011-07-22 *Redundant Masculinities* investigates the links between the so called crisis of masculinity and contemporary changes in the labour market through the lives of young working class men Allows the voices of poorly educated young men to be heard Looks at how the labour market is changing Emphasises the social construction of gender and racial identities Dispels popular myths about the crisis in masculinity *Masculinities in Text and Teaching* B. Knights, 2007-12-04 In a climate of anxiety about boys and reading this book addresses the gendering of English Studies drawing on recent research on masculinity In drawing together the study of text and narrative with insight into the experience of the classroom this book will be of value to both teachers and students of English Studies

Leadership Varieties Alexander Styhre, Thomas Johansson, 2016-03-10 In all periods of time there is a perceived shortage of qualified credible and robust leadership skills At the same time what is regarded as skilled leadership is contingent on economic political institutional and cultural conditions specific for a period of time or a local setting Leadership in the era of managerial capitalism was focused on planning and administration and was seated in large scale divisionalized corporations In the 1970s this economic model started to wane and leadership was advanced as the solution to a series of economic and social concerns now being a matter of meaning making in the face of uncertainty and ambiguity With the expansion of the finance industry and the deregulation of finance markets in the 1990s and in the new millennium yet another leadership model increasingly prioritized economic value creation In parallel to the economic political and institutional changes the idea

of leadership has been strongly informed by new ideas about individualism and masculinity adding to the understanding of leadership as what is anchored in widespread social beliefs about for example healthy life styles the virtues of physical exercise and novel gender relations Aimed at scholars researchers students and policy makers in the fields of Leadership Management History and Organizational Theory Leadership Varieties examines predominant ideas about the qualities and virtues of leadership in a historical and cultural perspective **Inventing the Victorians** Matthew Sweet,2001-12-10 Revises and reevaluates the many concepts and images surrounding the Victorians a society that was responsible for spin doctoring lavish publicity stunts hardcore pornography theme parks crime novels and scandalous journalism *American Masculinities: A Historical Encyclopedia* Bret Carroll,2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men s lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information

Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity **A Genealogy of Male Bodybuilding** Dimitris Liokaftos,2017-02-03 Bodybuilding has become an increasingly dominant part of popular gym culture within the last century Developing muscles is now seen as essential for both general health and high performance sport At the more extreme end the monstrous built body has become a pop icon that continues to provoke fascination This original and engaging study explores the development of male bodybuilding culture from the nineteenth century to the present day tracing its transformations and offering a new perspective on its current extreme direction Drawing on archival research interviews participant observation and discourse analysis this book presents a critical mapping of bodybuilding s trajectory Following this trajectory through the wider sociocultural changes it has been a part of a unique combination of historical and empirical data is used to investigate the aesthetics of bodybuilding and the shifting notions of the good body and human nature they reflect This book will be fascinating reading for all those interested in the history and culture of bodybuilding as well as for students and researchers of the sociology of sport gender and the body **Media and Male Identity** J.

Macnamara,2006-08-11 This book presents a landmark in depth study of how mass media contributes to the making and remaking of male identity It concludes that unless addressed the effects of negative discourse on the self identity and self esteem of men are potentially devastating and that the longer term and wider social implications will also be costly *The Handbook of Gender, Sex, and Media* Karen Ross,2013-12-04 The Handbook of Gender Sex and Media offers original insights into the complex set of relations which exist between gender sex sexualities and the media and in doing so showcases new research at the forefront of media and communication practice and theory Brings together a collection of new cutting edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man woman and instead considers the relationship between the construction of gender norms biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender sex sexualities and the media Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the re invention of our sexual selves Cultures of Masculinity Tim Edwards,2004-08-02 Presenting a survey of the social cultural and theoretical issues which surround and inform our understanding of masculinity this book explores the interface between traditional sociological approaches and the work covered by more post structural media driven or cultural perspectives Edwards well known for his work on representations of

masculinities uses grounded examples of the job market and domestic violence to set his theoretical discussion. He argues that there is a need for more dialogue on men and masculinities between disciplines and considers the validity of the concerns and anxieties which surround masculinity in the contemporary world through a range of key topics including the new man, the new lad, and men's movements. Men, masculinity and violence, marginalized masculinities, black masculinity, and gay male sexuality, queer theory, performativity, and fashion, cinema, representation, and the body. One of the most comprehensive and progressive studies of modern masculinity available, this book will be essential reading for students of gender, culture, and sociology.

Stiffed Betrayal Of Modern Man: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Stiffed Betrayal Of Modern Man : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Stiffed Betrayal Of Modern Man : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
