Still Point Dhammapada Living The Buddhas Essential Teachings:

The Still Point Dhammapada Geri Larkin, 2003-03-25 The Dhammapada is much loved by Buddhist practitioners as a simple and straightforward rendition of some of Buddha's core teachings and is read daily by thousands of people. While there are many translations available, few have an inclusive and lyrical sensibility. In studying various versions of this sacred text, Larkin noted many discrepancies and embarked upon an entirely original translation. Each instalment gets tested at the Still Point Zen Buddhist Temple in Detroit, a remarkable Zen centre in the heart of one of the roughest neighbourhoods in the country. This small gift hardcover will have the appeal of the Thomas Byrom Ram Dass edition but will be made even more accessible with each chapter's introduction containing a powerful contemporary anecdote from the Still Point Temple community. This Downtown Dhammapada will appeal not only to Buddhists but to those who also appreciate beautifully rendered sacred texts as simply good reading.

Close to the Ground Geri Larkin, 2013-05-14 After all the bliss and generalized euphoria we might experience along our spiritual path, what's left are the karmic knots of conditioning that still need unraveling. Untying them is the work of spiritual warriors that is all of us. The seven factors of enlightenment are a grease to loosen them all the while keeping us upright in our efforts: mindfulness, the investigation of phenomena, energetic effort, ease, joy, concentration, and equanimity. In *Close to the Ground*, longtime Buddhist teacher Geri Larkin uses stories from her own life to share some of the gifts that these factors bring. Because she refuses to be anything special, her stories are all of our stories, her humor all of our humor, her heartbreaks all of our heartbreaks. In this book, readers discover or rediscover that they have many more tools available to help with this work of life and death than they realized.
