The Natives Were Friendly So We Stayed The Night:

The Dealings of God, Man and the Devil Lorenzo Dow,1850 **Trade Your Furs or Die** James Robinson,2015-03-25
Trade your Furs or Die This was not a threat it was simply Radisson reminding his Native friends that they could die in war or starvation if they did not trade with him as their neighboring enemies would have the European guns and knives instead Radisson was the world s most successful fur trader because no one understood the Natives better than he did In 1651 he was captured as a child by the Iroquois and became one of them even becoming a Native warrior He left us with a fascinating written insight into what it was like to live in the virgin forests of North America in those adventurous times giving us a frank description of the Natives as they were before any significant contact with Europeans In 1665 he moved to England He used his descriptions of his life with the Fiat Nations to persuade the English King Charles II to become more active in North America and thus changed the course of history on this continent He used French vocabulary and expressions extensively Armed with my own knowledge of the French language and of history I began translating and editing Radisson s work for my own use I soon realized that the results should be published so over the course of several years I translated and rewrote Radisson s entire story to modern English Here for the first time ever is Radisson s own story rewritten in modern understandable language JAMES ROBINSON *The Dealings of God, Man and the Devil* Lorenzo Dew,Lorenzo Dow,Peggy Dow,1849 The Dealings of God, Man, and the Devil; as Exemplified in the Life, Experience and Travels of L.
