John Jefferson Davis

The Necessity Of Systematic Theology:

The Necessity of Systematic Theology John Jefferson Davis, 2010-11-01 The value of systematic disciplined reflection on biblical truth is the theme of this brief but convincing anthology Writing from a variety of perspectives the contributors present an excellent case for the necessity of systematic theology The editor has drawn from a vast reservoir of literature on the subject Included are excerpts from the works of such eminent writers of the past as C S Lewis letter 1 of Screwtape Letters Dorothy Sayers Creed or Chaos Jonathan Edwards The Importance of Christian Knowledge B B Warfield The Idea of Systematic Theology Emil Brunner The Necessity for Dogmatics and Francis Pieper Nature and Character of Theology Other chapters are by R C Sproul Right Now Counts Forever John H Gerstner Everyman Must Be a Theologian Kenneth F W Prior The Minister As Teacher R L Saucy Doing Theology for the Church and John Jefferson Davis Contextualization and the Nature of Theology The Necessity of Systematic Theology R. J. Rushdoony, 2017-12-12 Scripture gives us as its underlying unity a unified doctrine of God and His order Theology must be systematic to be true to the God of Scripture This is one of two Systematic Theology booklets that would later become part of R J Rushdoony s larger Systematic Theology set **The Necessity for Systematic Theology** Rousas John Rushdoony, 1979 **Perspectives on Scripture and Tradition** Robert L. Perkins, 1987 *T. F. Torrance as Missional Theologian* Joseph H. Sherrard, 2021-06-01 What contribution can T F Torrance make to the discussion of a missional view of the church Theologian and pastor Joseph Sherrard considers how Torrance s theology can inform the church s understanding of its ministry and mission in particular his appeal to the church s participation in the ascended Christ s threefold office as king prophet and priest **Collected Writings on Scripture** D. A. Carson, 2010-07-01 God s Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor Respected scholar D A Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts In part 1 Carson selects essays written on such themes as how to interpret the Bible recent developments in the doctrine of Scripture unity and diversity in the New Testament and redaction criticism Presenting a theologically balanced and confessional perspective Carson defines the terms of a number of debates critiques interpretive methods and theories and suggests positive guidelines for future action Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture Though substantial in content Carson s detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible **Systematic Theology as a Rationally Justified Public Discourse about God** Michael Agerbo Mørch, 2023-01-23 For centuries it has been discussed whether systematic theology is a scientific discipline But it is not obvious what is meant by either systematic theology or scientific discipline Michael Agerbo Mørch presents an understanding of systematic theology as a tripartite discipline and

science as a rationally justified public discourse about a given topic Systematic theology is shown to meet the most generally accepted criteria for scientific work since its theories can be tested and even falsified in an intersubjective setting This can be done by the most proper tool we have for assessing and comparing scientific theories which is coherence theory Therefore even though systematic theology is a distinct and normative discipline it is not compromising for its theories because it can present its theses in a transparent way that can be checked and criticized by peers and compared to relevant alternatives As such the book shows that systematic theology is a scientifically strong discourse that meets accepted criteria to the same degree as other disciplines

Contextualization David J. Hesselgrave, Edward Rommen, 2000 This expert analysis of contextualization from David Hesselgrave and Ed Rommen skillfully brings the meanings proposals and tasks of contextualization into clearer focus creating the most comprehensive treatise on the subject produced by evangelical scholars

The Lion of Princeton Kim Riddlebarger, 2015-07-21 Kim Riddlebarger provides a biographical overview of B B Warfield s life and traces the growing appreciation for Warfield s thought by contemporary Reformed thinkers Furthermore he evaluates the fundamental structures in Warfield s overall theology and examines Warfield s work in the field of systematic theology
