Discover Your Being in God Vanessa Karina x Andrade,2013-09-20 The majority of the human beings go through the stage of purpose freedom call work and direction in each one of the lives stage during which unfortunately many follow their own will some are overtaken by the responsibilities and the trend while some others deviate themselves from the perfect will of God the Lord for their lives a great number of individuals are conformed to the day to day waiting for what would come However exist people in whose internal being is burning the will and the call of God for their lives people to which God makes a call Because God is the one that in yourselves produce the want or the will as the doing for his good will Phil 2 13 Is necessary to respond to God compromising with God to obey to his voice and then God would respond with the accomplishment of his voice meanwhile of his word which is the will of God with the life of each believer In what you would offer over my altar corrupted bread And you said In what we had dishonored you In thinking that the table of Jehovah is despicable The time of assuming the service and the call from God is today God is talking to you and is calling you the time is now Rom 13 11

Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey Christian Literature and Review of the Churches, 1894
