

As late the house smelt a well,
And so he plump'd it with head and tail,
The very moment that there rang
Of no at the place the head "chickadee!"

The house's wife, with window up,
Not sipping coffee from her cup,
The boiler up the smoke down
And stared her to a puffed green
Now by the wall in looking for
The rabbit's child, and saw the boy,
And glanced back with awful glee
(Unwashed of the coffee spree).

And would have laughed, but changed his mood
When that hot coffee smelt her head,
He watched the open and closed lid
With many a hateful word run round,
To think to think the chimney low
Who'd brought this accident down,
But when he saw it was his son,
He changed his mood again, she!

Story of the Thank-You

"Kiss!" said his mother dear,
"I'll go out, but you may hear,
Try how pretty you can be
Till I come again," said she.
"Ourselves be, and good and mild,
Pray don't, with your thanks, my child,
For if you do, the ruler'll come
And bring his down and stop your thanks
From all your head to foot and down
As if of paper it had been."

Before she'd turned the corner round,
He'd got his daughter in his mouth!

Like Children Camille Owens, 2024-07-30 Finalist 2025 PROSE Awards Literature A new history of manhood race and hierarchy in American childhood *Like Children* argues that the child has been the key figure giving measure and meaning to the human in thought and culture since the early American period Camille Owens demonstrates that white men's power at the top of humanism's order has depended on those at the bottom As Owens shows it was childhood's modern arc from ignorance and dependence to reason and rights that structured white men's power in early America by claiming that black adults were like children whites naturalized black subjection within the American family order Demonstrating how Americans sharpened the child into a powerful white supremacist weapon Owens nevertheless troubles the notion that either the child or the human have been figures of unadulterated whiteness or possess stable boundaries *Like Children* recenters the history of American childhood around black children and rewrites the story of the human through their acts Through the stories of black and disabled children spectacularized as prodigies Owens tracks enduring white investment in black children's power and value and a pattern of black children performing beyond white containment She reconstructs the extraordinary interventions and inventions of figures such as the early American poet Phillis Wheatley the nineteenth century pianist Tom Wiggins Blind Tom a child known as Bright Oscar Moore and the early twentieth century Harlem Prodigy Philippa Schuyler situating each against the racial gendered and developmental rubrics by which they were designated prodigious exceptions Ultimately *Like Children* displaces frames of exclusion and dehumanization to explain black children's historical and present predicament revealing the immense cultural significance that black children have negotiated and what they have done to reshape the human in their own acts
