Slow Suicide:

Political Theology on Edge Clayton Crockett, Catherine Keller, 2021-12-07 In *Political Theology on Edge* the discourse of political theology is seen as situated on an edge that is on the edge of a world that is grappling with global warming a brutal form of neoliberal capitalism protests against racism and police brutality and the COVID 19 pandemic This edge is also a form of eschatology that forces us to imagine new ways of being religious and political in our cohabitation of a fragile and shared planet Each of the essays in this volume attends to how climate change and our ecological crises intersect and interact with more traditional themes of political theology While the tradition of political theology is often associated with philosophical responses to the work of Carl Schmitt and the critical attempts to disengage religion from his rightwing politics the contributors to this volume are informed by Schmitt but not limited to his perspectives They engage and transform political theology from the standpoint of climate change the politics of race and non Christian political theologies including Islam and Sikhism Important themes include the Anthropocene ecology capitalism sovereignty Black Lives Matter affect theory continental philosophy destruction and suicide This book features world renowned scholars and emerging voices that together open up the tradition of political theology to new ideas and new ways of thinking Contributors Gil Anidjar Balbinder Singh Bhogal J Kameron Carter William E Connolly Kelly Brown Douglas Seth Gaiters Lisa Gasson Gardner Winfred Goodwin Lawrence Hillis Mehmet Karabela Michael Northcott Austin Roberts No lle Vahanian Larry L Welborn *Foreign Bodies* Anat Gur, 2018-08-06 *Foreign Bodies Eating Disorders Childhood Sexual Abuse and Trauma Informed Treatment* addresses the association between eating disorders and childhood sexual abuse proposing a new way of treating those suffering from eating disorders who were sexually abused as children Based on testimonies of survivors of abuse who subsequently developed eating disorders it offers a new form of diagnosis and treatment arguing that the eating disorder field often ignores the traumatic sources of eating disorders leading to some treatment programs not being commensurate and at times conflicting with the principles of childhood sexual abuse treatment The case studies used to highlight the link between childhood sexual abuse and eating disorders are presented from the perspective of the women involved in their own words Their voices are supplemented by Gur's own stance as a clinician specializing in the treatment of sexual abuse and CPTSD The book is divided into three parts the first deals with eating disorders childhood sexual abuse and the association between them the second examines the treatment of eating disorders and childhood sexual abuse and the third offers a new form of diagnosis and treatment for eating disorders This book will be of great interest to researchers and postgraduate students in the eating disorder field of psychotherapy psychology or psychiatry plus those studying the treatment of trauma It will also be of interest to clinical dietitians psychologists social workers doctors nurses eating disorder specialists and policymakers in the mental health field as well as eating disorders sufferers and those who care for them **Physical Culture**, 1902

The Suicide Archive Doyle D. Calhoun, 2024-09-13 Throughout the French empire from the Atlantic and the Caribbean

to West and North Africa men women and children responded to enslavement colonization and oppression through acts of suicide In *The Suicide Archive* Doyle D Calhoun charts a long history of suicidal resistance to French colonialism and neocolonialism from the time of slavery to the Algerian War for Independence to the Arab Spring Noting that suicide was either obscured in or occluded from French colonial archives Calhoun turns to literature and film to show how aesthetic forms and narrative accounts can keep alive the silenced histories of suicide as a political language Drawing on scientific texts police files and legal proceedings alongside contemporary African and Afro Caribbean novels film and Senegalese oral history Calhoun outlines how such aesthetic works rewrite histories of resistance and loss Consequently Calhoun offers a new way of writing about suicide slavery and coloniality in relation to literary history **Brainwashed** Tom

Burrell,2009-09-01 Black people are not dark skinned white people says advertising visionary Tom Burrell In fact they are a lot more They are survivors of the Middle Passage and centuries of humiliation and deprivation who have excelled against the odds constantly making a way out of no way At this point in history the idea of black inferiority should have had a Going Out of Business Sale After all Barack Obama has reached the Promised Land Yet as *Brainwashed* Erasing the Myth of Black Inferiority testifies too much of black America is still wandering in the wilderness In this powerful examination of the greatest propaganda campaign of all time the masterful marketing of black inferiority Burrell poses 10 provocative questions that will make black people look in the mirror and ask why nearly 150 years after the Emancipation Proclamation so many blacks still think like slaves *Brainwashed* is not a reprimand it is a call to deprogram ourselves of self defeating attitudes and actions Racism is not the issue how we respond to racism is the issue We must undo negative brainwashing and claim a new state of race based self esteem and self actualization Provocative and powerful *Brainwashed* dares to expose the wounds so that we at last can heal *Digital Delirium* Arthur Kroker,Marilouise Kroker,1997-05-15 *Digital Delirium* is a manifest against the right wing politics of cyberlibertarianism and for rewiring the question of ethics to digital reality Bringing together the most creative minds of the digital generation it explores what is lost and what is gained by being digital

Why Suicide? Eric Marcus,2013-02-19 According to the American Foundation for Suicide Prevention in our lifetimes 80 percent of us will have some up close experience with the suicide of someone we know And more than 20 percent of us will have a family member die by suicide Journalist Eric Marcus knows this better than most people In 1970 his father took his life at the age of 44 In 2008 his 49 year old sister in law took her life as well In a completely revised and updated edition of the landmark original *Why Suicide* Eric Marcus offers thoughtful answers to scores of questions about this complex painful issue from how to recognize the signs of someone who is suicidal to strategies for coping in the aftermath of a loved one s death No matter what the circumstances those of us who are affected by suicide are left with difficult and disturbing questions Why did they do it Was it my fault What should I tell people when they ask what happened Is someone who attempts suicide likely to try again What should I do if I m thinking of killing myself Drawing from his own experience as well

as interviews with people who have been touched by suicide Eric Marcus cuts through the veil of silence and misunderstanding to bring clarity reassurance and comfort to those who so desperately need it **Exits to the Posthuman Future** Arthur Kroker,2014-03-12 Exits to the Posthuman Future is media theory for a global digital society which thrives and sometimes perishes at the intersection of technologies of speed distant ethics and a pervasive cultural anxiety Arthur Kroker s incisive and insightful text presents the emerging pattern of a posthuman future life at the tip of technologies of acceleration drift and crash Kroker links key concepts such as Guardian Liberalism and Obama s vision of the Just War with a striking account of culture drift as the essence of real world technoculture He argues that contemporary society displays growing uncertainty about the ultimate ends of technological innovation and the intelligibility of the digital future The posthuman future is elusive is it a gathering storm of cynical abandonment inertia disappearance and substitution Or else the development of a new form of critical consciousness the posthuman imagination as a means of comprehending the full complexity of life Depending on which exit to the posthuman future we choose or perhaps which exit chooses us Kroker argues that a very different posthuman future will likely ensue *Interconnecting the Violences of Men* Kate Seymour,Bob Pease,Sofia Strid,Jeff Hearn,2024-11-04 This book aims to expand and enrich understandings of violences by focusing on gendered continuities interconnections and intersections across multiple forms and manifestations of men s violence In actively countering both the compartmentalisation of studies of violence by type and form and the tendency to conceptualise violence narrowly it aims to flesh out not delimit understandings of violence Bringing together cross disciplinary indeed transdisciplinary perspectives this book addresses how what are often seen as specific and separate violences connect closely and intricately with wider understandings of violence how there are gendered continuities between violences and how gendered violences take many forms and manifestations and are themselves intersectional Grounded by the recognition that violence is itself a form of inequality the contributors to this volume traverse the intersectional complexities across both experiences of violent inequality and what is seen to count as violence The international scope of this book will be of interest to students and academics across many fields including sociology criminology psychology social work politics gender studies child and youth studies military and peace studies environmental studies and colonial studies as well as practitioners activists and policymakers engaged in violence prevention **Babes in Tomorrowland** Nicholas Sammond,2005-07-20 Examines the place of Disney in the changing construction of childhood in mid twentieth centru America *Suicide* Ronald M. Holmes,Stephen T. Holmes,2005-07-27 Suicide is an ageless concern that has been with us as long as man has existed Forbidden by all religions suicide has nonetheless become such a practical problem that it is now an everyday concern resulting in more annual deaths than homicide Suicide must be seen as a societal and personal problem it is a complex act with no simple explanation The motivation is multifaceted often not understood by the family or by other survivors Suicide Theory Practice and Investigation is the only text available in paperback form that offers an accessible overview of suicide in

the United States Written by Ronald M Holmes and Stephen T Holmes two of the foremost authors of murder and violent crime books in the world this book examines the social problem and criminal justice concerns of suicide from unique perspectives The authors discuss the various forms of suicide and analyze the latest data on regional differences and how gender marital status occupation health drug use and religion all influence the practice of suicide Key Features Analyzes suicide letters to provide students with unique perspectives not found in other books Covers investigative techniques that will be of interest to professionals and students alike Includes carefully selected photos to explicate the material covered Categorizes suicide into different types including anomic egoistic altruistic and fatalistic to distinguish the various reasons for which people have taken their own lives Integrates notes within the chapters to show the state of mind for those who commit suicide Explores learnings from suicidal behavior to help readers recognize how better to prevent the practice Suicide is designed for undergraduate and graduate courses in departments of Criminology Criminal Justice Psychology and Forensic Science In addition it can also be used for a variety of other courses including Psychopathology Sociology of Deviance Abnormal Psychology and Violent Crimes This book will also be of interest to anyone looking for a clear understanding of the extent of suicide in the United States *The Preacher's Guide to Suicide* H. C. Johnson,2022-03-18

This book makes the startling claim that the pulpit is the appropriate place to address suicide In *A Preacher's Guide to Suicide* Johnson chisels through the rusty prison bars of cultural pretense and the oppressive myths of suicide Using history the social and behavioral sciences and biblical inquiry over the centuries of varied Christian voices Johnson demonstrates that suicide is part of the very fabric of Christian identity And to preach suicide awareness is to preach life into the very act of dying While grappling with the contemporary understanding of neuroscience psychopathology societal values and individualism Johnson seeks to present suicide in a hopeful light as we all approach death in those daily moments of confession forgiveness and prayer Johnson hopes to provoke further conversation within the Christian community about the richness of suicide within the Scriptures and seeks to be a source of inspiration for preachers **A Candle in the Dark**
