Soon To Be A Major Motion Picture:

Soon to be a Major Motion Picture Jonathan Keates, 1997 A collection of stories of longing and passion ecstasy and betrayal A mighty angel appears in a girl's bedroom watched by a terrified cat a young wife in Aix les Bains takes a lover who fancies her clothes an Italian boy in knickerbockers steals cherries and plunges into hot adult secrets **Soon to be a Major Motion Picture** Donna Partow, 2005 An adroit first novel of exceptional grace and emotional power by a legendary British ad executive David Abbott's *The Upright Piano Player* is a wise and moving debut an accomplished novel of quiet depths and resonant shadows John Burnham Schwartz author of *The Commoner* and *Reservation Road* Henry Cage seems to have it all a successful career money a beautiful home and a reputation for being a just and principled man But public virtues can conceal private failings and as Henry faces retirement his well ordered life begins to unravel His ex wife is ill his relationship with his son is strained to the point of estrangement and on the eve of the new millennium he is the victim of a random violent act which soon escalates into a prolonged harassment As his ex wife's illness becomes grave it is apparent that there is little time to redress the mistakes of the past But the man stalking Henry remains at large Who is doing this And why David Abbott brilliantly pulls this thread of tension ever tighter until the surprising and emotionally impactful conclusion *The Upright Piano Player* is a wise and acutely observed novel about the myriad ways in which life tests us no matter how carefully we have constructed our own little fortresses From the Hardcover edition Abbie Hoffman, American Rebel Marty Jezer, 1993 Looks at the life of the famous rebel in the social cultural and political context of his times Now a Major Motion Picture Peter Wise, 2025-11-28 What if Hollywood finally called only to hand you the role of lifetime victim Rodney Mullins is a failed screenwriter with a stack of rejections and few shreds of hope Then Oscar winning director Marc Kessler offers him the job of a lifetime shadow the great man chronicle his films and maybe just maybe Rodney will see his own script reach the screen Once on his roller coaster ride Rodney's confidence grows but attempts to have an influence on what's happening around him often result in unintended awkward and sometimes hilarious consequences But working with Kessler is no dream He is capricious sometimes brutal and humiliating sometimes a mate encouraging and all is complicated by Gloria Kessler's dazzling wife who Rodney is totally smitten by Does he really believe he can be a better partner to her than Marc Kessler Rodney is caught between ambition obsession and betrayal in a world where everyone steals something ideas hearts or lives When the credits finally roll will Rodney discover he's written his own comeback or his own ruin Now a Major Motion Picture Cory McCarthy, 2018-04-03 Fandom and first love collide in in this joyful feminist contemporary romance from acclaimed author Cory McCarthy perfect for fans of Rainbow Rowell and Ashley Poston Iris Thorne wants to blaze her own path That's easier said than done when you're the granddaughter of M E Thorne famous author of the *Elementia* series hailed as the feminist response to J R R Tolkien's *Lord of the Rings* And with a major motion picture adaptation of her grandmother's books in the works Iris can say goodbye to her dream of making her own way in the music

industry When Iris and her brother get invited to the film set in Ireland she's pretty sure the trip will be a nightmare Except Iris can't deny the rugged beauty of the Irish countryside And brushing shoulders with the hot young cast isn't awful especially the infuriatingly charming lead actor Eamon O'Brien Iris even finds the impassioned female director inspiring But when the filming falls into jeopardy everything Iris thought she knew about Elementia and herself is in question Will making a film for the big screen help Iris to see the big picture

Now a Major Motion Picture Christine Geraghty, 2008 Going beyond the process of adaptation Geraghty is more interested in the films themselves and how they draw on our sense of recall While a film reflects its literary source it also invites comparisons to our memories and associations with other versions of the original For example a viewer may watch the 2005 big screen production of *Pride and Prejudice* and remember Austen's novel as well as the BBC's 1995 television movie Adaptations also rely on the conventions of genre editing acting and sound to engage our recall elements that many movie critics tend to forget when focusing solely on faithfulness to the written word
