Soul Merchants:

The Politics of Identity in Irish Drama George Cusack,2009 **Priest King** Lisa Blackwood,2024-09-21 He s as lethal as he is beautiful desired and feared by all She s big bloodthirsty and obliterates her enemies Never should they have met But they did With the Serpent God s ultimatum hanging over them Honryn and Verdria know they are running out of time The Festival of the Vine is only four months away And on that night the deity will claim Honryn as his mortal vessel and Verdria as his consort a fate they both want to avoid Yet one of the Serpent God s new gifts to Verdria allows her to wield soul mage magic and she discovers she can now create long distance portal spells like Honryn This proves groundbreaking because Honryn has been building a secret settlement a city situated between dragon territory and Verdria s own homeland and with Verdria s help Honryn can now supply his secret new settlement twice as fast thus guaranteeing he can evacuate all his people to the new settlement before he becomes the host for a hostile god But there is just one problem with his plan Honryn isn t planning to go with them He s going to stay behind and become the new Priest King and the mortal vessel for the Serpent God Because if Honryn doesn t stay behind and he flees with his family back to the mountains his uncle will send the might of the empire to crush Verdria s homeland and rescue Honryn As far as Verdria is concerned she only has two choices find a way to free Honryn from the Serpent God or stay by his side and become his consort Because there s no way she s abandoning him *Amsterdam* Geert Mak,2010-09-30 A magnet for trade and travellers from all over the world stylish cosmopolitan Amsterdam is a city of dreams and nightmares of grand civic architecture and legendary beauty but also of civil wars bloody religious purges and the tragedy of Anne Frank In this fascinating examination of the city s soul part history part travel guide Geert Mak imaginatively recreates the lives of the early Amsterdammers and traces Amsterdam s progress from waterlogged settlement to a major financial centre and thriving modern metropolis *Soul Merchants* Roger W. Hite,2002-10 **The Merchants of Souls** John Barnes,2002-11-18 The sequel to A Million Open Doors and Earth Made of Glass Special agent Giraut Leones betrayed by his superior and closest friend swore he would never work for the Office of Special Projects again but now he must A new movement on Earth seeks to use the recorded personalities of the dead as helpless virtual reality playthings and to the worlds of the Thousand Cultures where the reborn are accepted as normal citizens it s a monstrous crime If Giraut cannot stop Earth from ratifying its plans the tenuous structure of interstellar human civilization will collapse Complicating matters Giraut s brain now hosts a second consciousness the revived mind of his long dead friend Rimbaut Together Giraut and Rimbaut must confront their shared past while struggling with a deadly present At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Nobility and Annihilation in Marguerite Porete's Mirror of Simple Souls** Joanne Maguire Robinson,2012-02-01 This first book length study of Marguerite Porete s important mystical text The Mirror of Simple Souls examines Porete s esoteric and optimistic doctrine of annihilation the complete transformative union of the soul into God in its philosophical and historical contexts

Porete was burned at the stake as a relapsed heretic in 1310 Her theological treatise survived the flames but it circulated anonymously or under male pseudonyms until 1946 and her message endures as testament to a distinctive form of medieval spirituality Robinson begins by focusing on traditional speculations regarding the origin nature limitations and destiny of humankind She then examines Porete s work in its more immediate historical and literary contexts focusing on the ways in which Porete conceptualizes and expresses her radical doctrine of annihilation through contemporary metaphors of lineage and nobility

The Living Age ,1910 Littell's Living Age ,1910 **The Japan Daily Mail** ,1882 **Management and Organization Paradoxes** Stewart R. Clegg,2002-06-07 Paradox the simultaneous existence of two inconsistent states has become orthodox The orthodox is now the paradox The orthodox world of ordering controlling and organizing is increasingly opposed to a normalizing world of disordering disrupting and disorganizing And organization studies cannot avoid changing its conceptions of reality as that reality changes In the future organization studies will be the study of paradox how to understand it how to use it In this book of original contributions addressed to management and organization paradoxes the authors address the new state of the field in terms of representations representing paradoxes and materialisations materialising paradoxes The themes although varied ranging from dialectics to internal tensions from collaborations to ethics and value conflicts from resistant labourers and wharfies to cartoon characters such as The Simpsons from the irrationalities of finance to the psychoanalytic rationalities of auditing and from issues of governance in Asian and international business to the composition of the new knowledge work force in the business professions cohere around core aspects of paradoxicality Overall the contributions to Management and Organization Paradoxes are diverse and challenging Each contribution takes a different angle on the central theme All of the chapters illuminate diverse aspects of contemporary paradoxes in management and organization theory The book provides in each of its chapters a challenge to the still overwhelmingly rationalist views of theory and practice that dominate the field and provides new directions for understanding organizations and management The contributors are drawn from leading European Australian and Latin American contributors
