Faithspace in the Workplace: Fifty Days of Rediscovering Your Soul At Work S. Craig Bishop,2005 **Taking Your Soul to Work** R. Paul Stevens,Alvin Ung,2010-11-09 R Paul Stevens and Alvin Ung tap into the wisdom of the Bible and the Christian spiritual tradition to redefine the workplace as an arena for personal spiritual growth Together they discuss real life dilemmas and give practical guidance on turning professional work into the catalyst for a richer more balanced spiritual life from publisher description **The Living Church** ,1997 *The Language of the Soul in Narrative Therapy* Laura Béres,2022-07-08 The Language of the Soul in Narrative Therapy uniquely bridges the gap between narrative therapy and spirituality to describe how the theory and practice of narrative therapy may be expanded and enriched by incorporating the language of the soul Divided into three parts the book begins by contextualizing the approach of narrative therapy and spirituality Chapters then debate the complexity of the soul as a term drawing on the work of Christian mystics and philosophers such as Teresa of Avila Edith Stein Merleau Ponty and Bakhtin to show how their theoretical ideas can be incorporated in counseling practice and spiritual direction The book concludes by discussing how the language of the soul can be integrated and applied in postmodern practice With case examples from faith belief systems such as Christianity

Buddhism Paganism Wicca and Yazidism throughout this book is essential reading for therapists clinical social workers and counsellors in practice and graduate training as well as spiritual directors and pastoral counselors interested in the ideas and practices of narrative therapy *The Catholic Periodical and Literature Index* ,2008 **Soul at Work** Margaret Benefiel,2005-08-01 Dozens of books about spirituality and management have demonstrated the yearning for spirituality in the workplace that exists in people like Kerry Hamilton No longer content to abide the widening chasm between their deeply held values and the all too common business practices they encounter these readers long for congruence between their values and their work They wonder whether the days of the giants of corporate character like Johnson Johnson businesses who believed that integrity and profitability could co exist are gone for good Are we living in a state of business and organizational entropy Are we doomed to endless repetition of the Enron Worldcom and Global Crossing scandals Must integrity and profitability now be opposed What has happened to American business healthcare and non profits in the last forty years Soul at Work Spiritual Leadership in Organizations demonstrates vividly that another way is possible based on the contemporary restoration of the partnership between integrity and profitability It translates the core of what companies like Johnson and Johnson stood for forty years ago into contemporary forms Through compelling stories of contemporary businesses healthcare organizations and nonprofits Soul at Work shows how integrity profitability and personal and organizational transformation are all of a piece **Forthcoming Books** Rose Arny,2002
