Michael J. Flores, 2006 *How Christians Grow* Andrew James Prince, 2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue growing spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided

Equiano, the African Vincent Carretta, 2005 Tells the story of the former slave who was the English speaking world's most renowned person of African descent in the 1700s and is considered the founding father of both the African and the African American literary traditions **Spiritual Disciplines Companion** Jan Johnson, 2012-05-25

Spiritual disciplines connect us to the God who wants to transform our souls. We discover these time-tested practices in the Bible as we look at the everyday ways Jesus related to God. These companion studies and exercises will help you to explore sixteen core practices. Three segments on each practice, a total of forty-eight sessions, allow space to go beyond superficial understanding and to begin to live in a new way. Jan Johnson, a seasoned writer in both the areas of spiritual formation and Bible study, has created a unique mix of inductive Bible study, guided meditation, and transformational exercises spanning all the styles of learning and offering something for everyone. You can use this book effectively on your own or with a group. Discover what it means to live in the grace and light of God's transforming presence. Also available: The Spiritual Disciplines Bible Studies series of eight titles offers these studies in six-week guides with notes for leaders included: Explore silence, service, secrecy, prayer, listening, Bible study, Scripture meditation, community, submission, reflection, confession, fasting, simplicity, worship, celebration.

The Garden of the Soul Keri Wyatt Kent, 2002-06-10 Keri Wyatt Kent explores how the disciplines of gardening parallel the disciplines of spiritual life. As you work with God to create the right conditions in the soil of your soul, growth will follow. And the harvest will be glorious.

Workshop of the Holy Spirit Doug Strong, Jess Bielman, 2022-11-09 Workshop of the Holy Spirit invites students into the exciting adventure of theological education. Many aspects of modern theological education have their historic roots in the ideas of the Enlightenment. This foundation creates compartmentalized structures and frameworks that may not lead to the thriving of theological students. In contrast, Pietist leader P. J. Spener asserted in 1675 that theological schools should be nurseries of the church and workshops of the Holy Spirit, a formative environment that enhances intellectual, spiritual, and missional growth. Using the medieval workshop as a helpful metaphor for us today and writing at the intersection of the student-faculty relationship, Strong and Bielman describe the components both in and out of the classroom that enhance fruitful ministry preparation. This book engages theological education in our changing religious context. It offers fresh questions for students, highlighting emerging, innovative, and alternative models of training for life in the Spirit. Each chapter contains relevant stories from theological education students while including descriptions of the history of theological education.
