## **The Growth Of Reform Judaism American And European Sources Until 1948:**

The Growth of Reform Judaism W. Gunther Plaut, 1965-01-01      **The Rise of Reform Judaism: American and European sources until 1948** W. Gunther Plaut, 1963      **The Rise of Reform Judaism: American and European sources until 1948** W. Gunther Plaut, 1963      American Reform Judaism Dana Evan Kaplan, 2003-04-29 The only comprehensive and up to date look at Reform Judaism this book analyzes the forces currently challenging the Reform movement now the largest Jewish denomination in the United States To distinguish itself from Orthodox and Conservative Judaism the Reform movement tries to be an egalitarian open and innovative version of the faith true to the spirit of the tradition but nonetheless fully compatible with modern secular life Promoting itself in this way Reform Judaism has been tremendously successful in recruiting a variety of people intermarried families feminists gays and lesbians and interracial families among others who resist more traditional forms of worship As an unintended result of this success the movement now struggles with an identity crisis brought on by its liberal theology which teaches that each Jew is free to practice Judaism more or less as he or she pleases In the absence of the authority that comes from a theology based on a commanding all powerful God can Reform Judaism continue to thrive Can it be broadly inclusive and still be uniquely and authentically Jewish Taking this question as his point of departure Dana Evan Kaplan provides a broad overview of the American Reform movement and its history theology and politics He then takes a hard look at the challenges the movement faces as it attempts to reinvent itself in the new millennium In so doing Kaplan gives the reader a sense of where Reform Judaism has come from where it stands on the major issues and where it may be going Addressing the issues that have confronted the movement including the ordination of women acceptance of homosexuality the problem of assimilation the question of rabbinic officiation at intermarriages the struggle for acceptance in Israel and Jewish education and others Kaplan sheds light on the connection between Reform ideology and cultural realities He unflinchingly yet optimistically assesses the movement s future and cautions that stormy weather may be ahead      Atlas of Jewish History Dan Cohn-Sherbok, 2013-01-11 In this illuminating history Dan Cohn Sherbok traces the development of Jewish history from ancient times to the present day Containing over 100 maps and 30 photographs this is a comprehensive atlas of Jewish history designed for students and the general reader It is ideally suited for those courses in Jewish or Biblical Studies serving as a handy reference guide as well as a textbook      *United States Jewry, 1776-1985* Jacob Rader Marcus, 2018-02-05 Marcus follows the movement of these German Jews into all regions west of the Hudson River      **The Christian Effect on Jewish Life** Michael Hilton, 1994 A Reform rabbi s scholarly analysis of Christian influences on Jewish practice and thought showing some growing similarities between the two faiths      **History of the Jews in Modern Times** Lloyd P. Gartner, 2001 Lloyd Gartner presents in chronologically arranged chapters the story of the changing fortunes of the Jewish communities of the Old World in Europe and the Middle East and beyond and their gradual expansion into the New World of the Americas The book starts in 1650

when there were no more than one and a quarter million Jews in the world less than a sixth of the number at the start of the Christian era Gartner leads us through the traditions religious laws communities and their interactions with their neighbours through the Enlightenment the French Revolution and into Emancipation the dark shadows of anti-Semitism the impact of World War II bringing us up to the twentieth century through Zionism and the foundation of Israel Throughout the story is powerful and engrossing enlivened by curious detail and vivid insights Gartner an expert guide and scholar on the subject writing from within the Jewish community remains objective and effective whilst being careful to introduce and explain Jewish terminology and Jewish institutions as they appear in the text This is a superb introductory account authoritative in control lively of the central threads in one of the greatest historical tapestries of modern times

**Encyclopedia of the Jewish Diaspora** M. Avrum Ehrlich, 2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present Encyclopedia of the Jewish Diaspora Origins Experiences and Culture is the definitive resource on one of world history's most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors Encyclopedia of the Jewish Diaspora captures the full scope of its subject like no other reference work before it

**The Emergence of Jewish Theology in America** Robert G. Goldy, 1990-02-22 In The Emergence of Jewish Theology in America Robert G Goldy traces the birth and development of American Jewish theology from the Second World War to the present taking into account its social historical and intellectual roots and its revolutionary impact on the rabbinate and the Jewish intellectual community Affected by the horrors of war many third generation American Jews became dissatisfied with Jewish liberal thought and sought an American Jewish theology that would be radical existentialist and neo Orthodox

**Religious Pluralism in America** William R. Hutchison, 2008-10-01 Religious toleration is enshrined as an ideal in our Constitution but religious diversity has had a complicated history in the United States Although Americans have taken justifiable pride in the rich array of religious faiths that help define our nation for two centuries we have been grappling with the question of how we can coexist In this ambitious reappraisal of American religious history William Hutchison chronicles the country's struggle to fulfill the promise of its founding ideals In 1800 the United States was an overwhelmingly Protestant nation Over the next two centuries Catholics Mormons Jews Muslims Hindus and others would emerge to challenge the Protestant mainstream Although their demands were often met with resistance Hutchison demonstrates that as a result of these conflicts we have expanded our understanding of what it means to be a religiously diverse country No longer

satisfied with mere legal toleration we now expect that all religious groups will share in creating our national agenda This book offers a groundbreaking and timely history of our efforts to become one nation under multiple gods *Changing Perspectives* Allison E. Schottenstein, 2021-03-15 *Changing Perspectives* charts the pivotal period in Houston's history when Jewish and Black leadership eventually came together to work for positive change This is a story of two communities both of which struggled to claim the rights and privileges they desired Previous scholars of Southern Jewish history have argued that Black Jewish relations did not exist in the South However during the 1930s to the 1980s Jews and Blacks in Houston interacted in diverse and oftentimes surprising ways For example Houston's Jewish leaders and eventually Black political leaders forged a connection that blossomed into the creation of the Mickey Leland Kibbutzim Internship in Israel for disadvantaged Black youth Initially Houston Jewish leadership battled with their devotion to liberalism and sympathy with oppressed Blacks and their desire to acculturate The distance between Houston's Jews and Blacks diminished after changing demographics the end of segregation city redistricting and the emergence of Black political power Simultaneously Israel's victory during the Six Day War caused the city's Jews to embrace their Jewish identity and form an unexpected bond with Black political leaders over the cause of Zionism Allison Schottenstein shows that Black Jewish relations did exist during the Long Civil Rights Movement in Houston Indeed Houston played a significant role in the scope of Southern Jewish history and in expanding our understanding of Black Jewish relations in the United States *Contested Utopia* Marc J.

Rosenstein, 2021-03 This first book to examine the Jewish state through the lens of Jewish utopian thought from its biblical beginnings to modernity offers a fresh perspective on the political religious and geopolitical life of Israel As Marc J. Rosenstein argues the Jewish people's collective memories desires hopes and faith have converged to envision an ideal life in the Land of Israel but critically the legacy is a kaleidoscope of conflicting and sometimes overlapping visions And after three millennia of imagining utopia it is almost impossible for Jews to respond to Israel's realities without being influenced even unconsciously by these images Charting the place of utopian thought in Judaism Rosenstein then illustrates with original texts diverse utopian visions of the Jewish state Torah state Yavetz holy community based on nostalgic memories of the medieval community national cultural home Lewinsky normal state Herzl socialist paradise Syrkin anarchy Jabotinsky and a polity defined by Israel's historic or divinely ordained borders Analyzing how these disparate utopian visions collide in Israel's attempts to chart policy and practice regarding the Sabbath social welfare immigration developing versus conserving the land and the Israel Diaspora relationship yields novel perspectives on contemporary flashpoints His own utopian vision offers a further entryway for both Israelis and Diaspora Jews into more informed and nuanced conversations about the Jewish state

Patricians, Professors, and Public Schools Allan Stanley Horlick, 1994 This is a new interpretation of late nineteenth and early twentieth century educational policy in the United States Chapter length studies of leading reformers argue that their reservations about economic growth best explain the changes they promoted Judaism in America Marc Lee

Raphael, 2005-12-20 Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael's study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative Reconstructionist and Reform After documenting the considerable variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future

**Jewish Women in Fin de Siècle Vienna** Alison Rose, 2009-09-15 Despite much study of Viennese culture and Judaism between 1890 and 1914 little research has been done to examine the role of Jewish women in this milieu Rescuing a lost legacy Jewish Women in Fin de Siècle Vienna explores the myriad ways in which Jewish women contributed to the development of Viennese culture and participated widely in politics and cultural spheres Areas of exploration include the education and family lives of Viennese Jewish girls and varying degrees of involvement of Jewish women in philanthropy and prayer university life Zionism psychoanalysis and medicine literature and culture Incorporating general studies of Austrian women during this period Alison Rose also presents significant findings regarding stereotypes of Jewish gender and sexuality and the politics of anti-Semitism as well as the impact of German culture feminist dialogues and bourgeois self images As members of two minority groups Viennese Jewish women nonetheless used their involvement in various movements to come to terms with their dual identity during this period of profound social turmoil Breaking new ground in the study of perceptions and realities within a pivotal segment of the Viennese population Jewish Women in Fin de Siècle Vienna applies the lens of gender in important new ways

**PORTRAIT OF A RABBI-HISTORIAN: How Did We Get Here?** Rabbi Lance J. Sussman Ph.D., 2025-01-08 There is no information about the book as of this time Max Lilienthal Bruce L. Ruben, 2011-12-01 Explores the life and thought of Rabbi Max Lilienthal who created a new model for the American rabbinate When Congregation Bene Israel hired him to come to Cincinnati in 1854 Rabbi Max Lilienthal 1814-82 seized the opportunity to work with his friend Isaac M. Wise Together Lilienthal and Wise forged the institutional foundations

for the American Reform movement the Union of American Hebrew Congregations and Hebrew Union College In Max Lilienthal *The Making of the American Rabbinate* author Bruce L Ruben investigates the central role Lilienthal played in creating new institutions and leadership models to bring his immigrant community into the mainstream of American society Ruben s biography shines a light on this prominent rabbi and educator who is treated by most American Jewish historians as at best Wise s collaborator Ruben examines Lilienthal s early career including how his fervent Haskalah ideology was shaped by tensions within early nineteenth century German Jewish society and how he tried to implement that ideology in his attempt to modernize Russian Jewish education After he immigrated to America to serve three traditional New York German synagogues he clashed with lay leadership Ruben examines this lay clergy power struggle and how Lilienthal resolved it over his long career Max Lilienthal *The Making of the American Rabbinate* also details the rabbi s many accomplishments including his creation of a nationally recognized private Jewish school and the founding of the precursor to the Central Conference of American Rabbis He also was the first rabbi to preach in a Christian church Even more significantly Ruben argues that Lilienthal created an unprecedented new American model for the rabbinate in which the rabbi played a prominent role in civic life More than a biography this volume is a case study of the impact of American culture on Judaism and its leadership as Ruben shows how Lilienthal embraced an increasingly radical Reform ideology influenced by a mixture of American and European ideas Students of German Haskalah and historians of American Judaism and the Reform movement will appreciate this biography that fills an important gap in the history of American Jewry *Prophecy and Politics* Jonathan Frankel,1984-11-08 In the period from 1881 to 1917 socialist movements flourished in every major centre of Russian Jewish life but despite common foundations there was often profound and bitter disagreement between them This book describes the formation and evolution of these movements which were at once united by a powerful vision and sundered by the contradictions of practical politics **The Oxford Handbook of Jewish Ethics and Morality** Elliot N. Dorff,Jonathan K. Crane,2016-01-23 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct by individuals communities and countries and shows how to motivate people to do the good and right thing The Oxford Handbook of Jewish Ethics and Morality is a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around the world The first section of the volume describes the history of the Jewish tradition s moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment
