The collection shows that this work is not just on the surface of bodies but requires a transformation of subjectivity itself characterised by notions of personal choice risk taking self management and individual responsibility The book includes analyses of online media beauty service work female genital cosmetic surgery academic fashion self help literature and the seduction community from a range of countries Discussing beauty politics postfeminism neoliberalism labour and subjectivity the book will be of interest to scholars and students with an interest in Gender Media Studies Cultural Studies Sociology Social Psychology and Management Studies This highly engaging smart and wide ranging collection analyzes how under the self governing mandates of neoliberalism the demands that girls and women regulate and control their bodies and appearance have escalated to new unforgiving levels A special strength of the book is its emphasis on the rise of aesthetic labour as a global

transnational and ever colonizing phenomenon that seeks to sweep up women of all races ages and locales into its disciplinary grip Highly recommended Susan J Douglas University of Michigan USA the inherited responsibility that remains women s particular burden to manage Melissa Gregg Intel Corporation USA This book incisively conceptualizes how neo liberalist and postfeminist tendencies are ramping up pressures for glamour aesthetic fashion and body work in the general public In a moment when YouTube makeup how to videos receive millions of hits what to wear and how to wear it blogs clock massive followings and staying on brand is sold to us as the key to personal and financial success aesthetic entrepreneurship is bound to become a go to concept for anyone seeking to understand the profound shifts shaping labor and life in the 21st century Elizabeth Wissinger City University of New York USA
