Shoo Rayner, 2010 Team X is an outstanding addition to the Oxford Literacy series and has been developed for the whole school for the early years through to Year 6 Team X has been extensively researched and trialled in schools to make absolutely sure that it is what kids want Team X builds fluency vocabulary and comprehension Fluency and vocabulary are important skills and are both crucial stepping stones to comprehension which for any reader may be considered the main goal of reading Step 1 Listen to the audio book An adult mentor with a particular area of expertise the eXpert introduces themselves and relates the cluster theme to their own experience The mentor reads all or some sections of the book Step 2 Read the book The student then reads the book either in a guided reading or independent reading situation Step 3 Write your responses to the question on the activity card For all levels there are two writing activities related to the content or theme of the book often scaffolded with a graphic organiser There are also two additional activities that link to other curriculum learning areas
