Small Salvations Patricia Dienstfrey, 1987-01-01 **Salvation's Kiss** Kathryn Jayne, 2022-02-10 For Conrad moving to Overton was the promise of a fresh start a way to escape the pain and ridicule and leave behind the hateful words that reminded him every day he was a monster He would not make the same mistake again He would keep his other self hidden his heart shielded Or that had been his intention The moment his gaze met Ashley s his resolve faltered With a single disarming glance she became all he could think about an infatuation he knew must be shed But she was human incompatible with his kind To love her would be to one day watch her burn He had thought wrestling with his heart was his biggest concern but his new friends harbour a secret They hold the answers to one of the most burning questions of their time But how much is Conrad willing to sacrifice to get those answers This book contains graphic sex and is not suitable for readers under the age of 18 Salvation's Fire Justina Robson, 2018-09-04 The Tzarkomen necromancers sacrificed a thousand women to create a Bride for the Kinslayer so he would spare them in the war But the Kinslayer is dead and now the creation intended to ensure his eternal rule lies abandoned by its makers in the last place in the world that anyone would look for it Which doesn't prevent someone finding her by accident Will the Bride return the gods to the world or will she bring the end of days It all depends on the one who found her Kula a broken hearted little girl with nothing left to lose Women in Independent Publishing Stephanie Anderson, 2024-12-15 Women in Independent Publishing is a collection of interviews with and resources about women actively engaged in small press publishing between the 1950s and the 1980s The interviewees include Hettie Jones Margaret Randall Bernadette Mayer and many others The scope and range of the interviews showcase a variety of types of publishing possible within the small press community These interviews illuminate the unifying and diverging elements between multiple publishing scenes and reveal their particularities and commonalities Women in Independent Publishing is a timely and urgent documentation of literary history and reveals and celebrates the multifaceted roles of women editors and publishers and the communities they built The book includes a critical introduction an afterword by contemporary small press publisher M C Hyland and a robust resources section that provides further paths for reading and literary recovery *The Last Palace* Norman Eisen, 2019-09-03 A sweeping yet intimate narrative about the last hundred years of turbulent European history as seen through one of Mitteleuropa's greatest houses and the lives of its occupants When Norman Eisen moved into the US ambassador's residence in Prague returning to the land his mother had fled after the Holocaust he was startled to discover swastikas hidden beneath the furniture in his new home These symbols of Nazi Germany were remnants of the residence's forgotten history and evidence that we never live far from the past From that discovery unspooled the twisting captivating tale of four of the remarkable people who had called this palace home Their story is Europe's and *The Last Palace* chronicles the upheavals that transformed the continent over the past century There was the optimistic Jewish financial baron Otto Petschek who built the palace after World War I as a statement of his faith in

democracy only to have that faith shattered Rudolf Toussaint the cultured compromised German general who occupied the palace during World War II ultimately putting his life at risk to save the house and Prague itself from destruction Laurence Steinhardt the first postwar US ambassador whose quixotic struggle to keep the palace out of Communist hands was paired with his pitched efforts to rescue the country from Soviet domination and Shirley Temple Black an eyewitness to the crushing of the 1968 Prague Spring by Soviet tanks who determined to return to Prague and help end totalitarianism and did just that as US ambassador in 1989 Weaving in the life of Eisen's own mother to demonstrate how those without power and privilege moved through history *The Last Palace* tells the dramatic and surprisingly cyclical tale of the triumph of liberal democracy

Wagenaar, 2014-09-03 This volume deals with the redaction history of the Book of Micah vis vis the alternation of the oracles of judgement and the oracles of salvation in chapters 2-5 The first part of the book offers a brief discussion of the most important hypotheses to account for the alternation of doom and hope that have been put forward over the last three or four decades the composition model the dialogue model and the redaction historical model The second part of the book offers a detailed study of the text of Micah 2-5 followed by a thorough analysis of the form and literary development of the individual pericopes The study is concluded by a fresh presentation of the redaction history of the Book of Micah *For Salvation's Sake* Jason Moralee, 2004-03-01 This book breaks new ground in the study of cultural unity in the Near East from pre Roman to early Islamic times first century BC eighth century AD Based on a thorough study of nearly 400 Greek and Latin inscriptions from Syria Lebanon Jordan and Israel this book shows how the formula for salvation's sake *hyper soterias pro salute* was fundamental to the political social and religious lives of hundreds of civic and military elites in the Near East Initially an expression of ancient indigenous religion this formula expressed loyalty to the central authority at Rome while profiling social status and piety With the arrival of Christianity and Islam the formula lost its political importance but persisted in its social and religious applications among Christian and Jewish communities in Late Antiquity Presenting a new

body of evidence Jason Moralee provides a fresh look at how Romans used the inscriptions to secure the loyalty of their subjects for centuries This analysis of material culture through several periods redefines notions of political loyalty in the Middle East from antiquity through the Middle Ages raising new questions about life in the Roman provinces [This Great Salvation](#) Robin Boisvert, C. J. Mahaney, 1992-05 *Salvation of the Soul and Islamic Devotion* M. A. Quasem, 2023-05-31 First Published in 1983 *Salvation of the Soul and Islamic Devotion* demonstrates that salvation is a central concept of the religion of Islam even though its meaning causes and results according to Islam may differ from what is taught by Christianity and other world religions The first chapter of the book presents the Islamic doctrine of salvation as set forth in the Quran and prophetic tradition The meaning of salvation is explored and the means to it on both human and divine sides are considered with special emphasis upon Islamic devotions The remaining eight chapters deal with both obligatory and supererogatory devotions prescribed by Islam concentrating on the methods of their correct performance on which salvation is largely dependent The material used in this book has been derived entirely from the original Islamic sources written in Arabic Efforts are made to make the book useful to both Muslim and non Muslim readers of English interested in the Islamic theory of salvation and acts of devotion **Tofino: A Novel** Tom Stewart, 2025-08-13 In prose that sears he gives us the wild coast and the wounded soul both stripped of pretense both tremblingly alive Author Tom Stewart following a national fiction award for *Immortal North* returns with his most intimate novel yet an emotionally charged story of heartbreak and healing in the town he calls home Lyrical and sexy at once comedic and profound the story unfolds over three days seamlessly weaving sensational Tofino history with a blemished and modern romance Sunrise in downtown Vancouver On her morning jog Valerie Lou Roy falls to her knees from a panic attack Founder and CEO of a disruptive social media firm she is facing public backlash and looming lawsuits Last night she thought it was his truck outside her condo again a man unstable well before their bad breakup Seeking a former peace she can hardly recall Valerie boards a ferry to one of Canada's most stunning coastal towns Stubborn fate seems at play when she crosses paths again with a curious fishing guide part time smut writer with a taste for off colour jokes and the occasional literary quote Valerie begins to suspect that laughter and romance might heal more than even Tofino's hot springs and taco trucks endless beaches and an ocean coloured the blue of your dreams But the past rarely stays where you leave it As closeness stirs between her and the unlikely guide honesty feels less like rescue than another weight to bear Her business her sense of self and the fragile promise of new love are at risk while an anxious tide rises and fresh betrayals near **Salvation Colony** Linus Asong, 2009-10-15 Dennis Nunqam Ndendemajem the spectral social misfit of *No Way To Die* having failed to die by suicide is pursued by the hatred of friends and family relations He seeks refuge in The Salvation Colony of the Angels of Limbo Church of Africa a veritable paradise for all whom society has sidelined and whom chance or choice have led thereto Refuge Dennis finds at the Salvation Colony thanks to the kindly founding spiritual and material patron the highly reputable but extremely devilish Pastor Sixtus Shrapnell fondly referred to

as Our Father At the Colony though completely dehumanized Dennis maintains self value and something to live for in life God In dispensing so completely and successfully with any authorial presence in this extremely rare but deeply psychological novel Asong pushes the art of African fiction to a great new height The novel shows his intellectual and perhaps formal vortex His iridescent flushes of exquisite know how in art philosophy and psychology make the work worth a thinker s time

Science and Salvation Aileen Fyfe,2011-04-15 Threatened by the proliferation of cheap mass produced publications the Religious Tract Society issued a series of publications on popular science during the 1840s The books were intended to counter the developing notion that science and faith were mutually exclusive and the Society s authors employed a full repertoire of evangelical techniques low prices simple language carefully structured narratives to convert their readers The application of such techniques to popular science resulted in one of the most widely available sources of information on the sciences in the Victorian era A fascinating study of the tenuous relationship between science and religion in evangelical publishing *Science and Salvation* examines questions of practice and faith from a fresh perspective Rather than highlighting works by expert men of science Aileen Fyfe instead considers a group of relatively undistinguished authors who used thinly veiled Christian rhetoric to educate first but to convert as well This important volume is destined to become essential reading for historians of science religion and publishing alike **"Things that Accompany Salvation:" in Nineteen Sermons ...**

Things,1858 **Cycles of Salvation History** Ulrich Utiger,2013-07-05 The first part of the present book casts a new light on the Genesis vs science issue the second part points out that salvation history is repeating itself through cycles of four typical phases and based on this the third part shows that Marian apparitions are predicted by Scriptures Salvation Denied Douglas Page,2016-03-23 You cannot help but sympathise with Alan as you get an insight into the life and mind of this brutal desperate fugitive Until now his life was plagued with petty crime but his next fateful decisions will become a step too far even for him Journey with him in his bid to find salvation through the turmoil and despair of his soul searching days of evasion Maybe love can tame the instinctive rogue that dominates his persona Will he ever find the peace and freedom he truly desires or like the answers he seeks from a damned conscience will all hope finally be denied **Salvation** Carla Susan Smith,2018-02-13 An emotional tale of finding love against all odds Kelly Bowen Part Three of the Corsets and Carriages serial novels I will not be a wife in name only Rian Connor s proposal of marriage should have been the happiest moment of Catherine Davenport s life He is her savior her tutor in the ways of flirtation the man she wants for her lover But two impediments bar the way the vicious assault that may have ruined her ability to enjoy any man s touch and the vindictive woman who will stop at nothing to regain Rian s affection There can be no turning back once you have given yourself to me One exquisite night of completely mutual pleasure proves to Catherine that with Rian the physical side of their union will bring only joy But even her new husband cannot protect her from the diabolical scheming of his former mistress Delivered into the hands of the madman who once delighted in tormenting her Catherine is swept back to the place where it all began
