Small Streams Of Love And Hate:

Small Streams of Love and Hate Damon Kamming,1998 **Love to Hate** Jody Roy,2002-08-27 Why is the simple impulsive question we ask when confronted by horrible acts of hatred and violence Why do students shoot fellow students or employees their coworkers Why do mothers drown their children or husbands stalk and kill their wives Love to Hate challenges us to turn this question upon ourselves at a deeper level Why as a culture are we so fascinated by these acts Why do we bestow celebrity on the perpetrators while allowing the victims to fade into a second death of obscurity Are we as Pope John Paul II famously accused a culture of death And if so how can we break free of this unacknowledged aspect of the cycle of violence Unlike those who point solely to media imagery splintered families or lax gun control laws in search of the roots of America s endemic violence Jody M Roy suggests that we all must be held responsible She argues that we reveal our love affair with hatred and violence in the ways we think and speak in our daily lives and in our popular culture The very words we use function as building blocks of callousness and contempt betraying our immersion in subtexts of violence and hatred These subtexts are further revealed in our complex attitudes toward street gangs school shooters serial killers and hate groups and the paroxysms of violence they unleash As spectators driven by our impulse to watch we become an integral part of the equation of violence In the book s final section Freeing Ourselves of Our Obsession with Hatred and Violence Roy offers practical steps we can take as parents consumers and voters to free ourselves from linguistic and cultural complicity and to help create in America a culture of life Sans-Cravate; or, The Messengers; Little Streams Paul de Kock,2023-09-18 In the three part novel Sans Cravate or The Messengers Little Streams by Paul de Kock readers are invited into a world of romance intrigue and societal commentary De Kock s fluid and engaging storytelling style weaves together the lives of the characters exploring themes of love class dynamics and moral dilemmas Set against the backdrop of 19th century France the novel captures the essence of the era while offering a timeless reflection on human nature De Kock s use of dialogue and vivid descriptions bring the characters to life making the reader feel fully immersed in their world Paul de Kock a prolific French author known for his comedic and satirical works draws on his own experiences and observations of society in his writing Influenced by the social and political developments of his time de Kock s work often critiques societal norms and behaviors with a light hearted touch I highly recommend Sans Cravate or The Messengers Little Streams to readers who enjoy classic literature with a touch of humor and social commentary De Kock s insightful storytelling and relatable characters make this novel a delightful and thought provoking read *Little streams from the great fountain of living waters: being a course of twenty-four lectures, explanatory of the principal doctrines of the Christian religion, delivered in the New Jerusalem Church, Waterloo Road, London* Thomas GOYDER,1831 In love and in hate Love,1875 Jerusalem Delivered (Gerusalemme liberata) Torquato Tasso,2003-05-22 Late in the eleventh century the First Crusade culminated in the conquest of Jerusalem by Christian armies Five centuries later when Torquato Tasso began to search for a subject worthy

of an epic Jerusalem was governed by a sultan Europe was in the crisis of religious division and the Crusades were a nostalgic memory Tasso turned to the First Crusade both as a subject that would test his poetic ambition and as a reflection on the quandaries of his own time He sought to create a masterpiece that would deserve comparison with the great epics of the past Gerusalemme liberata became one of the most widely read and cherished books of the Renaissance First published in 1581 it was translated into English by Edward Fairfax in 1600 That translation has been the standard even though Fairfax was only a good not a great poet Fairfax tried to fit Tasso's verse into Spenserian stanzas adding to and subtracting from the original and often changing Tasso's meaning Anthony Esolen's new translation captures the delight of Tasso's descriptions the different voices of its cast of characters the shadings between glory and tragedy and it does all this in an English as powerful and clear as Tasso's Italian Tasso's masterpiece finally emerges as an English masterpiece
