Sons Of Cain:

Sons of Cain Peter Vronsky, 2018-08-14 From the author of *Serial Killers The Method and Madness of Monsters* comes an in depth examination of sexual serial killers throughout human history how they evolved and why we are drawn to their horrifying crimes Before the term was coined in 1981 there were no serial killers There were only monsters killers society first understood as werewolves vampires ghouls and witches or later Hitchcockian psychos In *Sons of Cain* a book that fills the gap between dry academic studies and sensationalized true crime investigative historian Peter Vronsky examines our understanding of serial killing from its prehistoric anthropological evolutionary dimensions in the pre civilization era c 15 000 BC to today Delving further back into human history and deeper into the human psyche than *Serial Killers* Vronsky s 2004 book which has been called the definitive history of serial murder he focuses strictly on sexual serial killers thrill killers who engage in murder rape torture cannibalism and necrophilia as opposed to for profit serial killers including hit men or political serial killers like terrorists or genocidal murderers These sexual serial killers differ from all other serial killers in their motives and their foundations They are uniquely human and as popular culture has demonstrated uniquely fascinating

Sons of Cain Terry N. Trent, 2024-01-04 *SONS OF CAIN* is the beginner s best start into getting to the bottom of many mysteries that have long been a problem for many Bible readers over the years Not only the passages that seem hard to understand but many which are rendered totally meaningless by the mistranslations which changed the meanings of words needlessly This book shows you from the very beginning of time as we know it who were the *SONS OF CAIN* and more importantly who was his father By learning of the curse of *ENMITY* from Genesis 3 15 we can now follow the trail of hatred through the centuries since the Garden of Eden and learn that these *SONS OF CAIN* were also the scribes which Christ scolded with regularity as they were the caretakers of the scriptures And today we find they are *STILL* publishers of our Bibles and are *STILL* making changes *CONSTANTLY* This book is documented mostly from the scriptures with the storyline guided for the most part by the testimony of Jesus Christ This is not my first book to write but it *IS* the book I recommend you read *FIRST* of all that I have written so that you can fully understand *WHY* our Bibles have been changed and *WHO* would have dared to do such a thing My other books cover much more about the thousands of mistranslated terms but this book satisfies your mind to the fact that those alterations actually have happened and the real reasons why they did Thank God the Hebrew language has never changed which is why we *KNOW* your *BIBLE* certainly has God does not stop evil people from hurting good people no more than He would stop evil people from defacing our Bibles God s people should accept a role in keeping the scriptures as near to the *ORIGINAL TRUTH* as we possibly can May God Bless and keep you and your family is my prayer Terry N Trent Sr **Sons of Cain** V.
