

INTRODUCTION

- The goal of reading Scripture is to get you into the Word of God, and to get the Word of God into you.
- Since God has spoken, the next question is-What has God said?
- How can I read the Bible for all it's worth?
- One key is to read it as you would any other form of communication; taking it in the most obvious and natural sense.

LIGHTS: A Methodology for reading the Bible for all it's worth

- Literal Principle of Biblical Interpretation
 - We are to take the Bible in the sense in which it is intended.
 - That does not mean we take biblical language in a woodenly literalistic sense...a simile is still a simile, a metaphor still a metaphor.
 - Jesus is the heir of the linguistic richness of the Old Testament. He doesn't turn that language into flat and literal prose but amplifies it.
- Illumination Principle of Biblical Interpretation
 - A model is a framework you impose on Scripture.
 - A proper methodology means understanding the art and science of biblical interpretation.
 - Biblical interpretation is an art because the more you do it, the better you get at it.
 - Biblical interpretation is a science because certain rules apply.
 - Exegesis: taking out of Scripture what God has placed there.
 - Eisegesis: reading into Scripture one's own pet theories.
- Grammar Principle of Biblical Interpretation
 - When we read a word in Scripture, we are not to re-interpret that word unnecessarily.
 - The rules of grammar are still the rules of grammar when we are reading the Bible.
- Historical Principle of Biblical Interpretation
 - This principle asks, "How did this text originally work as communication to people living in a specific time and place?"
 - The Book of Revelation is many things, but first it is seven love letters to a persecuted Bride experiencing the full fury of the Beast.

Soul Fire Brief Talks And Sermon Outlines:

Soulfire Rev. Dr. Gary Nicolosi, 2020-12-23 Preaching Jesus has been Gary Nicolosi's life passion. In SoulFire he spotlights today's secular postmodern culture and unleashes a ground-breaking primer on preaching. He maintains that preaching is a calling but also a skill to be learned and nurtured. Synthesizing a lifetime of experience, he shares his method of preaching and provides sermons organized around four critical areas: exploring faith, the spiritual journey, contemporary issues, and church life. SoulFire is more than a book on preaching. The sermons are for any Christians that seek to understand and communicate Christian faith in a way that touches hearts, engages minds, and transforms lives. In Jesus. Seekers and skeptics also will benefit from this book as they come to explore Christianity in a thoughtful, honest but heartfelt way. SoulFire is a timely resource that will assist clergy, church members, and people outside the church to find their way as followers of Jesus in these difficult times. Get ready to get real. Get ready to be challenged. Get ready to share the good news of Jesus in new ways. Get ready to re-imagine the church as a movement and not an institution. This is no time to play it safe. Our rapidly changing world is much too chaotic a place for Christians to give trite answers to tough issues. Jesus wants Christians whose souls are on fire to set the world on fire and in the power of his redeeming love we can.

Spurgeon, 2010-05-18 One contemporary scholar and authority on Spurgeon says of this work: Next to Mr. Spurgeon's great literary work *The Treasury of David*, we consider these *Lectures to My Students* his greatest single contribution to the Christian world. There is more practical wisdom, common sense, and sage advice packed within these pages than with any other book of similar size or content. This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as *The Call to Ministry*, *The Preacher's Private Prayer*, *On the Choice of a Text*, *On the Voice of the Holy Spirit in Connection with Our Ministry*, *The Blind Eye and the Deaf Ear*, *On Conversion as Our Aim*, *Illustrations in Preaching*. As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.
