Soul Recovery And Extraction:

Soul Recovery and Extraction AI Gvhdi Waya, Eileen Nauman, 2009-04-01 SOUL RECOVERY is about regaining the fragments of one's soul energy that have been trapped, lost or stolen either by another person or through a traumatic incident that has occurred in one's life. Taking back control of your life is at the heart of this shamanistic healing method. Here are a few signs of soul loss: DEPRESSION, MEMORY LOSS, ESPECIALLY FROM YOUR YOUTH, ADDICTIVE BEHAVIOR, CODEPENDENCE, OBESITY, INABILITY TO RELEASE A PERSON OR SITUATION BEING CONTROLLED OR MANIPULATED BY OTHERS, VICTIM'S MENTALITY. With soul recovery and Extraction, an ancient shamanic healing method, you can recover your pieces and once again be back in control of your life.

Soul Recovery and Extraction Eileen Nauman, AI Gvhdi Waya, 2014-10-01 Spiritually one can lose a soul piece by giving power away to someone or something else. Soul recovery is about regaining the fragments of one's soul energy that have been trapped, lost or stolen either by another person or lost through a traumatic incident. The heart of this shamanistic healing method is taking back control of your life. Shamanism, in the simplest definition, is the ability of an individual to move into an altered state and travel the inner dimensions of what we call nonphysical reality. This technique is as old as human existence. It is practiced around the world and in the past decade it has been reintroduced to Western civilization, although among indigenous cultures shamanism continues to be practiced as a healing tool without interruption. Extraction is another tool within the shamanistic tradition that dissolves blocks from our bodies or the aura of electromagnetic energy that surrounds us. These blocks can affect us physically as well as mentally, emotionally or spiritually, and with a shaman's expertise they can be removed.

Soul Recovery and Extraction AI Gvhdi Waya, 2015-12-01 **Homeopathy for Epidemics** Eileen Nauman, 2004 Homeopathy is a complementary form of medicine that has been practiced around the world since the 1700s. It heals on the basis of like cures like, calling upon our body's vital force to heal itself. In her new book, Eileen Nauman herself, a homeopathic practitioner with many years' experience, offers homeopathy as the answer to the question: What can we do in times of crises when modern medicine fails? Homeopathy for Epidemics explains what homeopathy is and how it works. Well-researched background information on modern epidemics and potential bioterrorism dangers tells us what we might be dealing with. A detailed materia medica describes which homeopathic remedy could be the one that might save our lives. A comprehensive section on posttraumatic stress disorder helps us figure out what we can do to heal after we've lived through an epidemic or terrorist crisis. And a detailed index lets us find answers to our questions quickly and easily. With its wealth of information, Homeopathy for Epidemics is a must-have in these times of crises when our lives might depend on making the right choice.

Stumbling Down the Shamanic Path Michèle Burdet, 2010-05-06 Stumbling Down the Shamanic Path relates how a spiritual skeptic became a questioner, a meditator who avoided gurus, an explorer of earth energies, and then met the teacher who discerned the shaman sleeping in the spirit of a middle-aged alpinist. That was only the beginning for pursuit of this new tack, offered a new set of hurdles. After

years of bumpy roads Michle Burdet is today a practitioner of ancient shamanic arts such as soul retrieval and is teaching apprentices to carry on the torch of what she likes to call prehistoric psychotherapy **Animal Souls Speak** Robert Shapiro, 2007 Arcturus is the name given to the star system some thirty seven light years from our own It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system Arcturian involvement with our system began over three million years ago when a space colony a galactic space station was established on Velatropa 24 4 otherwise known as Mars With its 40 000 year warm cycles Mars provided the perfect experimental way station If anything went wrong at least those on the Arcturus system would not be affected or so it was thought Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma the law of cause and effect By the time strange events began to transpire on Mars little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence Thus unfolds the tale of the Arcturian experimental way station V 24 4 otherwise kno **Medical Astrology** Eileen Nauman, 1996 Astrology nutrition health never before have these topics been so completely explained As an aid to individual health medical astrology has been a most popular phase of stellar science Eileen Naumann has integrated this topic with the most modern information on nutrition to provide a truly encyclopedic reference for those interested in their own health *A LEAP OF FAITH* Ellen G.
