The Guide To Everything Jewish In New York:

The Guide to Everything Jewish in New York Nancy Davis, Joy Levitt, 1986 Teaching Jewish Life Cycle Barbara Binder Kadden, Bruce Kadden, 1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages **Jewish-Christian Dialogue and the Life of Wisdom** Matthew Levering, 2010-03-21 This book inquires as to whether theological dialogue between Christians and Jews is possible not only in itself but also as regards the emergence of communities of Messianic Judaism In light of David Novak's insights Matthew Levering proposes that Christian theological responses to supersessionism need to preserve both the Church's development of doctrine and Rabbinic Judaism's ability to define its own boundaries The book undertakes constructive philosophical theology in dialogue with Novak Exploring the interrelated doctrines of divine providence theonomy the image of God and natural law Levering places Novak's work in conversation especially with Thomas Aquinas whose approach fosters a rich dialogue with Novak's broadly Maimonidean perspective It focuses upon the relationship of human beings to the Creator with attention to the philosophical entailments of Jewish and Christian covenantal commitments aiming to spell out what true freedom involves It concludes by asking whether Christians and Jews would do better to bracket our covenantal commitments in pursuing such wisdom Drawing upon Novak's work the author argues that in the face of suffering and death God's covenantal election makes possible hope lacking which the quest for wisdom runs aground 850 Intriguing Questions about Judaism Ronald L. more influential in Judaism and Christianity than Moses Maimonides and Thomas Aquinas yet Aristotle influenced them both in significant ways By adopting and adapting some of Aristotle s best thinking we can appreciate Maimonides and Aquinas search for the Good Life from their respective views ranging from the fall to human perfectibility This examines human nature the human telos and how each would prescribe the route to the Good Life For all three it is ultimately about the knowledge of God But what does that mean The comparative approach is more illuminating than if considered in isolation Comparatively Aristotle s approach may be characterized as informational Maimonides as instructional and Aquinas as pneumatic relational The role of faith as a virtue in both Maimonides and Aquinas makes a substantive difference over Aristotle s in philosophical and practical ways It is used to exploit their accounts of the human fall moral perfection and ultimate human perfection the knowledge of God

snapshots of how life developed and changed for Jews in California as California itself evolved and grew We firmly believe that there is something special about the Jewish role in California and even more so in Southern California that here on the lower left coast Jews have had an Americanization experience that is significantly different from that which Jews have had elsewhere in the USA Conversely Southern California would be quite a different place without the Jews who made it their home Book jacket
