The Serpent's Tale Sravana Borkatakya-Varma,Anyax Foxen,2025-09-30 There is a standard narrative that recurs throughout popular writings on yoga and tantra from South Asian texts to Western esoteric thought Kūḥlin is the Serpent Power She rests coiled at the base of the spine If awakened this divine feminine energy rises toward the crown of the head Some are apprehensive of Kūḥlin's intense power fearing physical and psychological turmoil Others seek it out hungry for experiences both spiritual and sensual But what does this story leave out What are its cultural and historical roots What do the many ways of experiencing Kūḥlin tell us about this elusive phenomenon The Serpent's Tale traces the intricate global histories of Kūḥlin from its Sanskrit origins to its popularity in the West Sravana Borkatakya Varma and Anyax Foxen explore its symbolic link with the serpent its fraught connections to sexuality and its commercialization in the form of Kūḥlin yoga Ranging from esoteric texts to global gurus from the cliffs of California to the charnel grounds of Assam they show that there has never been one single authentic model

of Ku alin but a multiplicity of visions Bridging the gaps between textual and historical analysis and the complexities of embodied practice Borkatakya Varma and Foxen reflect on the narration and transmission of experiences including their own Lively accessible and nuanced The Serpent's Tale offers rich insights for scholars practitioners and all readers drawn to Ku alin

The Heart Mender Sally Streib,2006 **The Heart of His Mystery** John Waterfield,2009-10-21 Shakespeare has traditionally been viewed as Queen Elizabeth s poet laureate and as the official mouthpiece of the Elizabethan age But the Elizabethan world was torn apart by the religious divisions initiated by the Reformation and vitiated by the government s merciless persecution of Catholics As it was the victors who wrote the history the English Reformation has been portrayed as a peaceful transition enjoying majority support when in fact it was nothing of the kind Elizabeth s regime was a police state which sanctioned the use of torture where Catholic priests and those who harboured them were liable to summary and bloody execution The persecution of Catholics was continued by James I evoking the violent response of the Gunpowder Plot The Heart of His Mystery examines Shakespeare s life and work against this background There is strong biographical evidence that he was himself a Catholic and a detailed survey of his plays and poems shows that his imagination was intimately bound up with his religious faith When we realise that his human compassion grew from his membership in a persecuted community we can glimpse the mystery he has encrypted in his works and we come closer to understanding the hidden heart of Shakespeare the man **The Heart: The Key to Everything in the Christian Life** Tim Rowe,2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart The Key to Everything in the Christian Life* believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us **In the Shadows of Genesis: Exploring the Mysterious Heart of the Bible's First Book** Neal Aponte, Ph.D.,2021-05-21 We recognize the names beginning with Adam Eve Cain and Abel Their mythic lives and the commentaries about them are bedrock elements of Western civilization But what if we relinquished the hal lowed ground of perceived wisdom and considered Martin Buber s instruction presented as an epigraph to this book to approach the text as something new letting the words of the Book of Genesis reach us Could we encounter the sacred heart of these mysterious stories as if for the first time **The Serpent's Plumes** Adam W. Coon,2024-05-01 Draws on Nahua

concepts to explore Nahua literary production and contributions to cultural activism from the 1980s to the present The Serpent s Plumes analyzes contemporary Nahua cultural production principally bilingual Nahuatl Spanish xochitlajtoli or poetry written from the 1980s to the present Adam W Coon draws on Nahua perspectives as a decolonizing theoretical framework to argue that Nahua writers deploy unique worldviews namely *ixtlamatilistli* knowledge with the face which highlights the value of personal experiences *yoltlajlamikilistli* knowledge with the heart which underscores the importance of affective intelligence and *tlaixpan* that which is in front which presents the past as lying ahead of a subject rather than behind The views of *ixtlamatilistli* *yoltlajlamikilistli* and *tlaixpan* are key in Nahua struggles and effectively challenge those who attempt to marginalize Native knowledge production
