Sherwood, 2013-09-04 The title and subtitle say a great deal about the character of this book These are stories about people who inevitably stand out in a crowd for their personal attributes their ethical standards the ways in which they have coped with great problems and their remarkable achievements Significantly

fourteen of the sixteen stories in this book are about people who have in some way contributed to better government. Several have worked directly in government, others have been teachers, and still others have found ways to make contributions. Not all the stories are about people in the U.S. The two stories from Brazil involve people who stayed at home and did their good work there; in the other two instances, already blossoming careers at home were ended by extreme governmental changes. In all cases, however, these are people who must be admired for their extreme dedication to the highest ideals of service. In effect, this book can be considered a primer on government that works. The two whose stories did not directly concern government contributed mightily to a better society. One was a highly productive author who in later years concentrated on children's books and wrote more than 50 of them. The other pioneered a wholly different journalistic undertaking, the city regional magazine. Today these publications are found throughout the country and are distinguished by their design quality and their commitment to the communities they serve.

Good To The Last Kiss Ronald Tierney, 2011-11-01 Inspector Vincent Gratelli hunts a serial killer through San Francisco in this dark, twisty little gem from the author of the Deets Shanahan mysteries. Kirkus Reviews: The Bay Strangler is at large in San Francisco. One after another, the lifeless bodies of young women are found, beaten, sexually assaulted, and adorned with an intimate tattoo. Homicide Inspector Vincent Gratelli and his partner, Inspector Mickey McClellan, are charged with finding the killer, a highly intelligent individual who appears to be expert at leaving no trace behind. But the Strangler's latest victim, PI Julia Bateman, clings to life in a coma. As the media swarms and the entire city braces itself for the next attack, Julia may provide the evidence Vincent and Mickey need to catch the killer if she survives long enough to talk.

CAPE HENRY HOUSE Jolly Walker Bittick, 2021-04-30 Based on a true story, Cape Henry House is a coming-of-age epoch about a ragtag group of sailors and their partying adventures from a bygone era, as told by former Petty Officer Third Class Bosner. When two of his best friends move into a house off base, they believe it will be a place to relax and have a few beers. For three weeks in early 2008, it's a place to roar and have a few kegs. From bars and diners to dance floors and strip clubs, Cape Henry House proves to be the focal point where everyone convenes. Through laughter, mayhem, drinking, and drama, the group discovers a deeper camaraderie that sees them off as some are sent overseas, others find love, and all are left with lasting memories to cherish for a lifetime.
