The Hand Of The Potter:

Broken! But in the Hands of the Potter Samuel T. Lartey, 2013-07-16 This book is relevant in these last days where the word brokenness has become a day to day ordinary vocabulary for man Brokenness is a subject that everyone regardless of background race profession citizenship etc can relate to in his or her life time on earth This book will be relevant in this contemporary time when the global economy is crunching political structures are being shaken world s systems are failing spouses are betraying their partners families are tearing apart as a result of unfaithfulness dreams and visions are being shattered and many individuals are being frustrated and depressed This book will show you how to use the mishaps in your life to achieve your God given dream and how to turn your bitter lemon into sweet lemonade Furthermore this book will ignite within you the flame of hope that no matter how badly you have been broken God can still take the broken pieces of your life and make you whole again and give you a brand new start Above all this book is written for all those who have been enrolled in the academy of super achievers and greatness and who want to be used greatly by God in their field of endeavour to affect positively many generations born and unborn and leave an indelible mark in their generation and all those whose passion is to minister life and demonstrate God and set up a rhythm of God in lives *JAR: A Vessel in the Hands of the Potter* Jesse Alan Rivers, 2020-11-06

Lawson,2021-11-16 The day Jason Lawson's stress reached a tipping point he found himself shaking so badly he couldn't even pour orange juice into a blender for his family's breakfast He felt like his world was falling around him and he was afraid of losing his family his job and his mind But that was the day Jason met the Potter Not the cartoon God on nursery walls or the religious God preached about in many churches That day Jason began a journey with the Potter to learn Who He really is and why He created man and this journey is compiled in his new devotional The Potter's Hands A 366 Day Journey to Knowing God The Potter's Hands tackles questions such as If the Potter is so good then why did He create me to hurt and struggle Why am I so cracked and flawed Why does He fill me with so much pain and many more The answer Jason found was simple He is the Potter and we are the clay He formed us for His glory not our comfort He decides our size and shape He chooses what to pour into us and He is the One Who determines where He places us Our role in this is to trust Him as the Potter the Savior the Counselor the Servant the Commander the Spirit the Creator the Father the Rabbi the Redeemer the Healer and the Shepherd The heartbeat of The Potter's Hands is to remind readers that the clay can do nothing apart from the Potter's hands but in the Potter's hands He can create a masterpiece for His glory What more could we ask for Come along for one year and walk with Him Let the Potter reveal to you Who He really is

The Holy Bible Containing the Old and New Testaments Adam Clarke,1826 The Proclamation of the Prophets G. A. Williams,2022-08-25 This book is a series of sermons summarizing the books of prophecy in the Old Testament I intend these sermons to be studied preached or used as Bible lessons or for simple reference The books of prophecy express God's heart for His people the Jews and He chose them to be the primary vehicle of His message to mankind as the initial means of fulfilling God's mission of redemption and His kingdom being established on earth However after repeated attempts to call His people back to that mission God decided not to speak for four hundred years until John the Baptist showed up in Judea The proclamation of the prophets is also a promise of victory for the people of God The cry of God in the words of Malachi Return to me and I will return to you expresses God's commitment and unrelenting love for His people This proclamation is not based on replacement theology which assumes that the church has replaced the Jews But instead on God's promise to restore His people I hope you enjoy and are blessed with this work Use it as a beginning point in your study and research And in the end may God be glorified and may you be enlightened
